

Former Yugoslav Republic of Macedonia-Skopje: Diesel fuel (EN 590)

OJ S 204/2018 23/10/2018

Contract notice

Supplies

Directive 2004/18/EC

Section I: Contracting authority

I.1. Name and addresses

Official name: Directorate of Compulsory Reserves of Oil and Oil Derivatives

Postal address: Orce Nikolov street, No.71

Town: Skopje

Postal code: 1000

Country: North Macedonia

For the attention of: Stanisha Nikolovski

E-mail: stanisha.nikolovski@dcor.gov.mk

Telephone: +389 23225228

Fax: +389 23225165

Additional information can be obtained from:

Official name: Directorate for Compulsory Reserves of Oil and Oil Derivatives

Postal address: Orce Nikolov street No. 71

Town: Skopje

Postal code: 1000

Country: North Macedonia

For the attention of: Vesna Krstic

E-mail: vesna.krstic@dcor.gov.mk

Telephone: +389 23225228

Fax: +389 23225165

Specifications and additional documents (including documents for competitive dialogue and a dynamic purchasing system) can be obtained from:

the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address

I.2. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.3. Main activity

General public services

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

Procurement of 1(one) Oil Derivative — Diesel fuel (Euro diesel BS) for the Compulsory Oil Reserves of the Republic of Macedonia

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: In the excise warehouse/reservoirs on the territory of the Republic of Macedonia, determined with a written order of the Directorate of Compulsory Reserves of Oil and Oil Derivatives as the Contracting Authority.

NUTS code

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

Procurement of 1(one) Oil Derivative — Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia.

A detailed description of the subject of the public procurement contract and the required quantities are given in the technical specifications that are part of the tender documentation.

II.1.6. CPV code(s)

09134220 Diesel fuel (EN 590)

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

Up to 8 370 000 liters Diesel fuel (Euro diesel BS).

More details are given in the technical specifications that are part of the tender documentation.

Estimated value excluding VAT: 347 457 627,00 MKD

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Duration in days: 90 (from the award of the contract)

Information about lots

Lot No: 1

Lot title: 1

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 1 - Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 2

Lot title: 2

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 2 - Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 3

Lot title: 3

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 3 -Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the

public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 4

Lot title: 4

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 4 - Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 5

Lot title: 5

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 5 - Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 6

Lot title: 6

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 6 -Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 7

Lot title: 7

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 7 - Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 8

Lot title: 8

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 8 - Up to 558.000 liters of Diesel fuel (Euro diesel BS)..

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 9

Lot title: 9

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 9 - Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 10

Lot title: 10

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 10 -Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 11

Lot title: 11

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 11 -Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 12

Lot title: 12

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 12 -Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 13

Lot title: 13

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 13 -Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 14

Lot title: 14

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 14 -Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Lot No: 15

Lot title: 15

1) Short description

Procurement of 1(one) Oil Derivative - Diesel fuel (Euro diesel BS) for the compulsory oil reserves of the Republic of Macedonia

2) CPV code(s)

09134220 Diesel fuel (EN 590)

3) Quantity or scope

Lot 15 -Up to 558.000 liters of Diesel fuel (Euro diesel BS).

4) Indication about different time frame or duration

5) Additional information about lots

The bidder can bid for one, more or all parts/lots of the subject of the public contract. Bidder may not solicit constituent elements of the individual part/lot. For each part/lot subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The tender documentation contains more information on electronic auction.

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

- 1) Statement about the steadiness of the bid;
- 2) Performance guarantee (5 % of the total contract value).

In order to sign the contract with the selected most favorable economic operator, the successful bidder shall be required to provide a contract performance bank guarantee in the amount of 5 % of the contract value;

- 3) Statement for independent bid.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

The tender documentation contains more information.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

A group of economic operators shall have the right to submit a bid without an obligation to form any legally appropriate association. The Contracting Authority shall not require the group of bidders to be associated in an appropriate legal form if the group is selected as the carrier of the procurement.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: The tender documentation contains more information.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: 1) For proving personal status, economic operator should provide the following documents:

- statement by the economic operator that in the previous 5 years, an effective court decision for participation in criminal organization, corruption, fraud or money laundering, has not been announced,
- a Certificate that it is not subject to bankruptcy procedure issued by a competent authority,
- a Certificate that it is not subject to liquidation procedure issued by a competent authority,
- a Certificate for paid taxes, contributions and other public duties by the competent authority in the country where that economic operator is established,
- a Certificate from the Register of penalties for criminal acts committed by legal entities that a secondary penalty ban on participation in procedures for public announcement, the award of public supply contracts and public-private partnership, has not been imposed,
- a Certificate from the Register of penalties for criminal acts committed by legal entities that a secondary penalty temporary or permanent prohibition of certain activities has not been imposed and,
- a Certificate that a sanction for misdemeanor with an effective court decision, resulting in prohibition for pursuing professional activity or duty, i.e. temporary prohibition for performing professional activity, it is not being announced.

Professional registration.

To qualify as capable of performing the contract in terms of the ability to perform professional activity, the economic operator should submit a document for registered activity as an evidence that it is registered as a legal entity for performing the activity related to the subject of the contract or evidence that they belong to a professional association in accordance with the regulations of the country where it is registered.

The economic operators must meet the special conditions for the activity prescribed under law pertaining to the subject of the contract - the Energy Law ("Official Gazette" No. 96/18) and the Law on Compulsory Reserves of Oil and Oil Derivatives ("Official Gazette the Republic of Macedonia" No. 84/08, 35/11, 84/12, 43/14 and 83/18).

In order to demonstrate ability to perform professional activities, the economic operators need to submit the following documents:

1) Domestic economic operators should submit:

- document for registered activity (Form DRD) as evidence that they are registered as a legal entity for performing the activity related to the subject of the contract, issued by the Central Registry of the Republic of Macedonia,
- valid license to perform energy activity - wholesale of oil derivative Euro Diesel BS issued by the Energy Regulatory Commission of the Republic of Macedonia,
- valid license for performing energy storage activity of the oil derivative Euro Diesel BS issued by the Energy Regulatory Commission of the Republic of Macedonia.

2) Foreign entities — economic operators should submit:

— document for registered activity as evidence that they are registered as a legal entity for performing the activity related to the subject of the contract or an evidence that they belong to a professional association, issued by a competent authority in accordance with the regulations of the country where it is registered,

— valid license or other appropriate document for performing energy activity — wholesale with oil derivative Euro Diesel BS issued by a competent authority in accordance with the regulations of the country where they are established,

— valid license or other appropriate document for performing energy activity — storage of oil derivative Euro Diesel BS issued by a competent authority in accordance with the regulations of the country where they are registered".

III.2.2. Economic and financial ability

List and brief description of conditions: The economic operator proves the fulfillment of the minimum requirement about its economic and financial ability by submitting one or more of the following documents:

— report on the income statement certified by a competent authority, i.e. audited income statement or extracts from the balance of success, where publication of the balance sheet is required under the law of the country in which the economic operator is established for the last financial year,

— statement of the total turnover (data from the income statement issued by a competent authority, i.e. audited income statement) and, where appropriate, of turnover in the area covered by the contract for the last financial year for which they are available such information depending on the date on which the company was founded or started work and depending on the availability of such information".

If the income statement was subject to commercial audit, the economic operator may submit it as evidence that it meets the minimum requirement for determining the economic and financial ability without being certified by a competent authority.

If the income statement was not subject to commercial audit, the economic operator shall submit the same certified or issued by a competent authority as evidence that it meets the minimum requirement for determining the economic and financial ability. The competent authority in the Republic of Macedonia is the Central Registry of the Republic of Macedonia.

Minimum level(s) of standards possibly required: The economic operator must meet the following minimum requirements in order to qualify as capable of performing the contract for public procurement in terms of its economic and financial ability:

— to have achieved revenue totaling 20 000 000,00 MKD in the last financial year".

If the economic operator performs the business activity in a period less than 3 years, a minimum requirement for determining its economic and financial ability is the economic operator to have achieved above requirement in the years in which data exists.

III.2.3. Technical and professional ability

List and brief description of conditions:

The economic operator proves the fulfillment of the minimum requirements about its technical capacity by submitting:

— copies of car licenses or contracts for rented tanker trucks and/or railway tank wagons which have been concluded for a period not shorter than the period of validity of the bid that should contain data from car licenses for leased tanker trucks and / or railway tank wagons,

— copies of at least three (3) concluded contracts for delivery of oil derivatives in the last 3 years, with individual value not less than 1 500 000,00 MKD, with provided certificates for deliveries issued by the recipients or, if such certificates cannot be provided for reasons

beyond the control of the economic operator, only with his statement for performed deliveries, — the economic operator must submit valid evidence that on the territory of the Republic of Macedonia possesses own and/or leased reservoir capacities for oil derivative Euro Diesel BS, subject of the procurement, for each lot / lots its bid refers to and for which holds a valid excise license issued the Customs Administration of the Republic of Macedonia. In the case of own reservoir capacities adequate evidence is a valid license for performing energy storage activity for the oil derivative Euro diesel BS issued by the Energy Regulatory Commission of the Republic of Macedonia. In the case of leased excise reservoir capacities, acceptable evidence is a lease contract valid for at least 5 years. For foreign entities - economic operators acceptable evidence is a contract for ensured storage warehouse on the territory of Macedonia signed with the holder of a valid excise license issued by the Customs Administration of the Republic of Macedonia and a valid license for performing energy storage activity of the oil derivative Euro Diesel BS, issued by ERC of Republic of Macedonia.

Minimum level(s) of standards possibly required:

The economic operator must meet the following minimum requirements in order to qualify as capable of performing the contract for public procurement in terms of its technical or professional ability:

— To have at least 5 (five) owned or leased technically correct tank trucks and / or railway tank wagons for transportation of light oil derivatives, which must meet the conditions laid down by the regulations on safety of vehicles and special technical - exploitation conditions prescribed for transport of oil derivatives and should possess relevant documents determined according to the current legislation in the Republic of Macedonia (Law on the carriage of dangerous goods by road and rail traffic "Official Gazette of the Republic Macedonia "No. 92 /07, 147/08, 161/09, 127/10, 17/11, 54/11, 13/13, 163/13, 38/14, 166/14, 116/15, 193 / 15, 31 /16 and 64/18),

— Minimum three (3) concluded contracts for delivery of liquid fuels in the last 3 years, with individual value not less than 1 500 000,00 MKD,

— The economic operator must provide own and / or rented excise reservoir capacity for the respective oil derivative Euro Diesel BS on the territory of the Republic of Macedonia, for as many Lots, its bid refers to.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

III.3.2. Information about staff responsible for the performance of the contract

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

Lowest price

IV.2.2. Information about electronic auction

An electronic auction will be used: yes

Additional information about electronic auction: For each lot/lots subject of the public procurement contract, a separate electronic auction through electronic procurement system (<https://www.e-nabavki.gov.mk>) will be conducted. The subject of each auction will be the total unit price per liter including all costs, discounts and import duties, excluding VAT and excise duty, for each separate lot of the subject of the contract. The price of the respective oil derivative is not accounted for excise duty, because the Contracting Authority owns excise license and oil derivative subject of procurement should be stored in excise warehouse. The tender documentation contains more information on electronic auction.

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

06/2018

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

Time limit for receipt of requests for documents or for accessing documents: 3.12.2018 - 11:00
Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

3.12.2018 - 11:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

Other: Tender documentation is available only in Macedonian language. The bid, the complete correspondence and documents should be submitted in Macedonian language. TD could be obtained at the following link: <https://e-nabavki.gov.mk/PublicAccess/home.aspx#/dossie/7eb2a0ad-916b-44a7-bb5c-da20f47b088a/1>

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

Duration in days: 90 (from the date stated for receipt of tender)

IV.3.8. Conditions for opening of tenders

Date: 3.12.2018 - 11:00

Place:

Directorate of Compulsory Reserves of Oil and Oil Derivatives, Orce Nikolov street, No. 71, 1000 Skopje, Republic of Macedonia.

Persons authorised to be present at the opening of tenders: yes

Information about authorised persons and opening procedure: Any interested person can attend the public bid opening on 3.12.2018 (at 11:00 A.M. local time). Only the authorized representatives of the bidders can participate in the procedure of the public bid opening by providing their comments in the minutes of the bid opening,

— The authorized representatives of the bidders shall bring with them to the public opening an authorization (PoA) signed by a responsible person of the bidder. All authorized representatives of bidders, present at the public opening, should sign an attendance list.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

Tender documentation can be downloaded by any interested bidder from the following web page: <http://>

Bjn.gov.mk or (<https://www.e-nabavki.gov.mk>): Notice No. 06/2018 dated 19.10.2018 published by DCOR as the Contracting Authority on ESPP, on the following link:

<https://e-nabavki.gov.mk/PublicAccess/home.aspx#/dossie/7eb2a0ad-916b-44a7-bb5c-da20f47b088a/1>

This procedure would be totally conducted by using electronic means through ESPP (Electronic System for Public Procurement).

Bids should be submitted by using electronic means through ESPP (Electronic System for Public Procurement).

VI.4. Procedures for review

VI.4.1. Review body

Official name: State Appeals Commission for Public Procurement

Postal address: Bul. Ilindenska No.63 a

Town: Skopje

Postal code: 1000

Country: North Macedonia

E-mail: contact@dkzjn.gov.mk

Telephone: +389 23251251

Fax: +389 23251251

Internet address: <http://www.dkzjn.gov.mk>

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: Precise information on deadline(s) for lodging appeals: Article 216 (Public Procurement Law — Official Gazette of RM No. 136 /07, 130/08, 97/10, 53/11, 185/11, 15/13, 148/13, 28/14, 43/14, 130/14, 180/14, 78/15, 192/15, 27/16, 120/16, 165/17 and 83/18).

VI.4.3. Service from which information about the review procedure may be obtained

Official name: same as above

VI.5. Date of dispatch of this notice

19.10.2018
