7. Contract description

The scope of the project is the preparation of a project documentation and preliminary design for future development and functioning of the multimodal node in Trubarevo as a bankable project.

The contractor will be expected to carry out analysis of the existing documentation and legal framework, conduct a market exercise for the most viable model and prepare proposal, project documentation and tender documentation for the future implementation of the project.

The contractor may be expected to provide services in the tender stage for the future implementation of the project if the project is found to be bankable.

8. Indicative budget

EUR 1.500.000

9. Intended timing of publication of the contract notice

December 2018

10. Additional information

N/A

11. Legal basis(1)

Regulation (EU) No. 236/2014 of the European Parliament and of the Council of 11.3.2014 laying down common rules and procedures for the implementation of the Union's instruments for financing external action and Regulation (EU) No. 231/2014 of the European Parliament and of the Council of 11.3.2014 establishing an Instrument for Pre-accession Assistance (IPA II), (OJ L 77, 15.3.2014).

Please be aware that after the United Kingdom's withdrawal from the EU, the rules of access to EU procurement procedures of economic operators established in third countries will apply to candidates or tenderers from the United Kingdom depending on the outcome of negotiations. In case such access is not provided by legal provisions in force at the time of contract award, candidates or tenderers from the United Kingdom could be rejected from the procurement procedure.

(1) Please state any specificity that might have an impact on rules on participation (such as geographic or thematic or long/short term).

Remarks:

There must be a minimum period of 30 calendar days between the publication of this prior information notice and the publication of the corresponding contract notice.

No applications or requests for information should be sent at this stage.
