Заглавие: Procurement of technical operational services

Описание: PURPOSE AND SCOPE The Agency for Sanitation and Recycling in Oslo municipality (hereafter called "REG" or "Contracting Authority") shall enter into a new contract for the procurement of technical operational services. The agreement shall commence 1 May 2026. Further information on the assignment and the requirements for the services that shall be carried out are in Annex 1 Requirement Specification. The contracting authority estimates that the fixed part of the assignment and the estimated need for additional orders have a value of NOK 10,000,000. The contract is subject to spending up to NOK 8,000,000 beyond this, for additional services that are in a natural context the type of services included in the agreement. The maximum value of the agreement is therefore NOK 18 million. The contracting authority draws attention to the fact that the estimated value is based on previous consumption and the expected future need is only a guideline and is without obligation for the Contracting Authority. Parts of the services that will be provided are scheduled assignments, and therefore guaranteed, but the rest depend on the need.

5.1.9. Критерии за подбор

Източници на критерии за избор: Уведомление

Критерий: Регистрация в търговски регистър

Описание на критерия за подбор: The tenderer shall be a legally established company.
Documentation requirements: Norwegian companies: Company Registration Certificate.
Foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

Критерий: Други икономически или финансови изисквания

Описание на критерия за подбор: Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Documentation requirements: The contracting authority reserves the right to obtain credit appraisal on its own initiative. If a tenderer has a justifiable reason (e.g. newly started company) of not submitting the documentation that the Contracting Authority has required, he can document his economic and financial capacity with any other document that the Contracting Authority deems suitable.

Критерий: Мерки за управление на околната среда

Описание на критерия за подбор: Tenderers are required to have implemented environmental management measures that ensure that the tenderer is suitable to fulfil the contract's environmental provisions. This means that the tenderer has methods for working actively and systematically to reduce negative environmental impact from activities connected to the execution of this contract. Documentation requirements: A description of the tenderer's environmental management measures. If a tenderer has certificates from independent bodies that document the environmental management system, they can be presented as documentation. Refer to the EU Scheme for Environmental Management and Environmental Audit (EMAS), other recognised environmental management systems in regulation (EF) no. 1221/2009 article 45, or equivalent, and other environmental management standards based on relevant European or international standards from accredited bodies such as ISO 14001 or equivalent.

Критерий: Мерки за гарантиране на качеството

Описание на критерия за подбор: Tenderers shall have a relevant quality assurance system for the content of the contract. Documentation requirements: A description of the tenderer's quality assurance methods. Alternatively: Certificate for the company's quality assurance system issued by independent bodies that confirms the tenderer fulfils certain quality assurance standards, for example ISO 9001:2015.

Критерий: Референции за определени доставки

Описание на критерия за подбор: The tenderer shall have good experience from similar assignments. Similar assignments mean the execution of operational engineering services in large buildings. Documentation requirements: Short description of the most important deliveries in the last three years, including information on the contract's value, date of delivery as well as the name of the contracting authority and a description of the assignment's content.

Критерий: Среден годишен персонал

Описание на критерия за подбор: The tenderer must have good capacity to carry out the contract. Documentation requirements: A description of the tenderer's average workforce and the number of employees in the management during the last three years.
