2. Процедура

2.1. Процедура

Заглавие: Architectural services, framework agreement

Описание: The competition is for the provision of architect services, framework agreement.

The procurement's value is estimated to: NOK 1,500,000 excluding VAT per annum.

Maximum value for the entire contract period, including any options and expected price rise:

NOK 15,000,000 excluding VAT. The need is uncertain. The volume can vary both up and

down and the contract period will depend on, among other things, the contracting authority's needs, activities, budgetary situations and other framework factors. See the procurement

documents for further information. ENVIRONMENT: This procurement is, in its nature, considered to have an immaterial impact on climate and the environment, cf. the regulations

§7-9, fifth paragraph. The justification for this is that the procurement is for consultancy services/consultancy services where the contracting authority has been cut off from affecting climate and environmental impact, as the requirements and criteria that are aimed at these elements will not have sufficient connection to the delivery, cf. DFØ's environmental

supervisor. Apprentices: The contracting authority has assessed the procurement against the apprentice regulations, cf. the Procurement Act § 7, and concluded that apprentices are not required in this procurement, as the contract's main element does not include work where it is relevant to use labour with vocational or craft certificates, cf. the apprentice regulations § 6 (3).
