Основни характеристики на процедурата: The National Library's premises in Mo i Rana Byggningsmassen consist of a main building with the accompanying magazine building. In addition to this we have two external stores. The premises have a total area of approx. 18,000 m2. Mobile security guard services are preferably required, but there can, in particular, be a need to order stationary security guard services for short periods in connection with, for example, events or accompanying services. The National Library's premises in oslobyggningsmassen consists of two main buildings with associated magazine buildings. The premises have a total area of approx. 22,000 m2. In Oslo there is a need for both 24 hour and stationary security guard services. The National Library of Norway has a large number of exhibitions and events in our premises during the agreement period. Tenderers must be prepared that certain changes in need will take place. The contract period is from 1 October 2026 and will be valid for four years, with an option for a two year extension for the contracting authority, so that the maximum length is six years. The contract's value is based on the historical Procurement's total value (four years) is estimated to be up to NOK 40 million, excluding VAT. The volume must be considered an estimate and is therefore not binding for the contracting authority.
