Описание: Reduction of environmental impact

5.1.9. Критерии за подбор

Източници на критерии за избор: Уведомление

Критерий: Финансови коефициенти

Описание на критерия за подбор: Tenderers shall have their tax and duty payments in order (tax, VAT etc.). Documentation requirements: Tax certificate issued by the tax authorities (maximum 6 months old). Foreign tenderers shall submit equivalent certificates from their home country.

Критерий: Регистрация в съответен професионален регистър

Описание на критерия за подбор: Tenderers shall be a legally established company registered in a company register, trade register or trade register in their country of establishment. Documentation requirements: Company Registration Certificate from the Brønnøysund Register Centre or other valid register statement confirming that the tenderer is registered and legally established. Foreign tenderers submit equivalent certificates from their jurisdiction.

Критерий: Други икономически или финансови изисквания

Описание на критерия за подбор: Tenderers must have sufficient economic and financial capacity to fulfil the contract. The minimum requirement is credit worthiness without requirement for provision of security. E.g. equivalent credit rating of "A" from Bisnode.

Documentation requirements: Credit rating from a certified credit rating agency (based on the most recent annual fiscal figures), not older than 3 months.

Критерий: Мерки за гарантиране на качеството

Описание на критерия за подбор: Tenderers shall have a good and well-functioning quality assurance system suitable for the delivery. This involves routines for ensuring quality and compliance with relevant laws and regulations in the implementation of the contract.

Documentation requirements: An account of the quality assurance system and routines, up to two pages. Alternatively: A copy of a valid ISO 9001 certificate or equivalent certification will normally be accepted as documentation.

Критерий: Мерки за управление на околната среда

Описание на критерия за подбор: The tenderer is required to have an environmental management system to ensure environmental consideration in the delivery. Documentation requirements: Certificate that proves a valid environmental management system (f.eks. ISO a 14001 certificate, EMAS registration or Environmental Lighthouse certificate). Alternatively, tenderers can provide a description of their internal environmental management system with an account and policy if formal certification is not available.

Критерий: Референции за определени услуги

Описание на критерия за подбор: Tenderers shall have relevant experience from assignments or deliveries of an equivalent nature and extent to the assignment in question. 'equivalent' means assignments of the same type, complexity and size, which ensures that the tenderer has the necessary experience. Documentation requirements: Reference list of the most important relevant assignments carried out in the last 3-5 years. The list shall include a description of the assignments, contract value, date/year, as well as the name of the contracting authority/customer for each reference. The contracting authority can contact the references for verification.

5.1.10. Критерии за възлагане

Критерий:

Категория на критерия за възлагане с тегло: Тегло (процентен дял, точна величина)

Число, свързано с критерия за възлагане: 25

Критерий:

Вид: Качество

Описание: The contracting authority has assessed that the use of separate award criteria on environment or special environmental requirements, as the qualification requirements will not have more environmental effect than the minimum requirements already set in the requirement specifications and applicable authority requirements. Since the environmental impact is mainly controlled by technical requirements for modules, materials and inside climate, the minimum requirements above are seen as better measures. Based on this, the Public Procurement Regulations § 7-9 is the fourth section.
