Основни характеристики на процедурата: The objective of the procurement is to ensure that The Directorate of Public Construction and Property gets a supplier for the production and delivery of signs. The contracting authority expects good quality, service and efficiency from the framework agreement partner. Statsbygg has at all times approx. 100 large and small construction projects of varying character ongoing. The property portfolio includes university colleges, government buildings, royal properties, prisons, courts, police houses, cultural monuments, museum and cultural buildings, customs places, laboratory buildings and other buildings for public service provision. There will be activity on our construction projects and the properties can be in operation when signs are to be delivered. Furthermore, some projects and properties will require special considerations when carrying out delivery, and security clearance or other forms of clearance for personnel who shall be entering property/project will be required in some properties and projects.
