Název: BK2 Spinneriet with p-basement
Popis: DHP Bygg BK 2 AS and Dhp Parkering AS are wholly owned subsidiaries of Drammen Helsepark AS and request, in connection with project BK2 Spinneriet with the parking basement, for a tender for a turnkey contract. The establishment of Bygg Bk2 with the accompanying parking basement will be carried out as a project where the turnkey contractor is responsible for all the necessary work. Bygg BK2 and the parking basement are organised in two different companies in Drammen Helsepark, DHP Bygg BK2 AS and Dhp Parkering AS. Both companies will be formal Builders and contract partners for the Turnkey Contractor. Drammen Helsepark AS has carried out detailed regulation of the area south of Brakerøya train station in cooperation with Helse Sør Øst / Vestre Viken. The detailed plan was approved in September 2019 and gives Helseparken the possibility to build 76,500 m2 gross over the basement of the car park. See other documents on interface and conditions connected to the construction site, Folder C1 Conditions connected to the construction site and external surroundings. The parking basement under the BK3 and parts of the bk4 field was opened in November 2024 and is used as visitors to the hospital in Drammen and visitors to Drammen Helsepark. BK3-1 and BK3-2 are the first construction stages for the superstructures in the existing basement, and these two buildings will open in June 2026. BK2 is a building that shall be constructed in accordance with the hire contract with Drammen municipality for the new Emergency Doctor Surgery and short term places for patients. The parking basement under BK2 is an extension of the already existing parking basement and it will include technical rooms, lifts/stairs up to BK2 as well as parking places for visitors to BK2. A contract has been signed with an architect and architect outdoors, for the detailed engineering design services for BK2. Nordic Office of Architecture and SLA Norway AS will be transported to the Turnkey Contractor. The builder has submitted an application for framework permission. It is expected to be received in May/June 2026 and will be sent in. All further applications must be taken care of by TE. Dark architects with the SØK function are the builder´s/DHP´s consultant throughout Drammen Helsepark. DHP has chosen to use NS 8407 General contract terms for turnkey contracts as the contract form.

Přímý nebo nepřímý podíl na přípravě tohoto zadávacího řízení: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?
Vážné profesní pochybení: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.
Předčasné ukončení, náhrada škody nebo jiné srovnatelné sankce: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?
Porušení povinností vyplývajících ze sociálněprávních předpisů: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.
Porušení povinnosti týkající se placení příspěvků na sociální zabezpečení: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?
Obchodní činnost je pozastavena: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.
Porušení povinnosti týkající se placení daní: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?
Teroristické trestné činy nebo trestné činy spojené s teroristickými činnostmi: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council´s framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.
Trestný čin související s jeho profesním chováním při zadávání zakázek v oblasti obrany: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?
Nedostatek spolehlivosti, pokud jde o vyloučení rizika pro bezpečnost země: Is the tenderer assessed to lack reliability that is necessary to exclude the risk of national security?

Porušení povinností stanovených v rámci čistě vnitrostátních důvodů pro vyloučení: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

Kritérium:
Typ: Kvalita
Popis: The procurement is for the construction of buildings with significant climate and environmental impact. The contracting authority has chosen to have binding requirements that the building shall achieve energy class A and be certified in accordance with BREEAM-NOR v6.1.1 level Excellent. These requirements ensure uniform, documentable and third-party verified environmental performance in both the construction phase and the lifetime of the building. The contracting authority considers that such absolute requirements provide a higher and more predictable climate and environmental effect than using climate and the environment as the award criteria with a minimum of 30% weighting, where price or other conditions can be decisive. The exclusion provisions in the Public Procurement Regulations § 7-9 fourth section will therefore be used.
