2. Řízení

2.1. Řízení

Název: Area planning and technical consultancy services - qualification phase.

Popis: The Contracting Authority Tysvær municipality (TK) would like, via this competition, to enter into parallel framework agreements for assignment management and consultancy services for area planning and consulting engineers for technical planning (roads, water, sewage, geology/geotechnics etc.) with 2 (two) companies. Distribution of assignments between tenderers will be approx. 60 (winner) / 40 (no. 2). NOTE: The municipality requires that each tenderer can offer both disciplines - Area planning and technical planning - as this is seen as an advantage, which, according to the municipality's experience, will give synergy effects in the disciplines. The framework agreement period is 2 years with an option for a further 1+1+1 years. The contract period is included in the tender documentation, including 3 option years. The contract has an estimated annual value of approx. NOK 3,000,000 excluding VAT (divided between both tenderers. This gives a total estimated value for the framework agreement's length (including options) of NOK 15,000,000 excluding VAT. The estimated value is only an estimate of the extent, of an informative character, and binds the municipality in no way. The number of assignments depends on activity in the municipality and the budget approved by the municipal council in December each år. TK reserves the right to announce assignments with a value of more than NOK 1,000,000 as separate competitions.

Identifikátor řízení: f9875d93-8af0-4b78-abdb-23c8ae69ca57

Interní identifikátor: 2026/573

Typ řízení: Jednací řízení s uveřejněním / jednací řízení

Řízení se zrychlí: ne

Hlavní prvky řízení: Tysvær municipality would like pro-active tenderers and it is a prerequisite that the tenderer, as part of the assignment, understands the municipality's overall plans and strategies, primarily the municipal plan and the main water and sewage plan, but there are also relevant regional plans. Contracts (call-offs) signed within the expiry of the framework agreement shall be completed in accordance with the terms of this agreement and conditions agreed in connection with the concrete oppdraget. TK would like a tenderer with broad experience within different types reguleringsplaner. TK has a regular need to have prepared or changed zoning plans. This applies to both area development plans and detailed zoning plans. Most of the plans are for housing, business areas, public services such as nurseries, schools

and institutions, and municipal roads. The list is not exhaustive. A typical assignment will be preparing a zoning plan and the accompanying overall technical plan. A general technical plan will follow phase 1 up to and including 3, as stated in ANNEX 1 Requirement Specifications consultant assignments - phases. In addition to preparing or changing development plans, TK wants tenderers to be able to help the municipality with reports and preparatory work in connection with. with different types of area plans. This can i.a. regarding traffic and capacity calculations, flood calculations, noise assessments and assessments about utilisation of områder. TK would like a tenderer with good competence and broad experience in technical planning, and who can be a resource for TK as regards technical and practical buildable systems and systems that pay off economically in the long term in terms of operation and maintenance. The framework agreement includes the assignment manager and consulting engineers for detailed engineering design services for: pipeline installations for water pump stations for water elevated basins for water with the necessary automation treatment facility for water development automation automation hydraulic calculations, hydrological assessments and calculations local and open surface water treatment convention surface water treatment of existing sewage and transfer to municipal main installations pump stations with the necessary sewage installations with the necessary Automation sewage repair border installations for sewage emission arrangements for sewer sludge treatment engineering design services for development areas, industry and bustad engineering design services for road programmes /adaptations for recipient examinations art grass courts, both the renovation and new installations Listen is not exhaustive. These points also include expertise in environment consultancy services, hydraulics, urban hydrology, cleaning techniques, geology and geotechnical engineers, ground surveys mm. TK will in projects where the extent and costs have not been clarified, prepare a preliminary project with clarification of the extent, proposals for the main systems and the builder calculation, before technical planning/detailed engineering design is initiated. TK can also have a need to prepare technical plans - both as independent assignments and on behalf of. with development plans. Independent assignments will be defined and detailed in the order. In the fb. with zoning assignments it means, in most cases, to prepare a general technical plan for quality assurance of the planning work, or a technical plan/construction plan as a basis for anbud. TK work process when technical planning is presented in annex 1 and it shall be followed by the chosen framework agreement suppliers. Tenders for competition (cf. the procurement regulations) and follow-up in the construction period TK will, in accordance with. With the publication of competitions and the execution phase could need follow-up from tenderers such as: Preparation of competition documents, part II Contract's basis Evaluation of tender offer for TK After contract with TK will be responsible for construction management in the project Preparation of work drawings. Clarification as regards individual items during implementation, Re-engineering design services for changes in the project Development of "as the building" tegninger. TK use Merrell for competition implementation, and the tenderer must have his own Merrell licence. The municipality shall be entitled to later use of produced materials.

Anskaffelsesforskriften - Revised qualification deadline.

2.1.6. Důvody pro vyloučení

Zdroje důvodů pro vyloučení: Oznámení

Korupce: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Podvody: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Praní peněz nebo financování terorismu: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Účast na zločinném spolčení: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Teroristické trestné činy nebo trestné činy spojené s teroristickými činnostmi: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, of 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Dětská práce a jiné formy obchodování s lidmi: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Porušení povinností vyplývajících z právních předpisů o ochraně životního prostředí: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Porušení povinností vyplývajících z pracovněprávních předpisů: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Porušení povinností vyplývajících ze sociálněprávních předpisů: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Dohody s jinými hospodářskými subjekty, jejichž cílem je narušení hospodářské soutěže: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Vážné profesní pochybení: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Zkreslení informací, zadržení informací, neschopnost poskytnout požadované podklady nebo získání důvěrných informací o tomto řízení: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Střet zájmů související s účastí v zadávacím řízení: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Přímý nebo nepřímý podíl na přípravě tohoto zadávacího řízení: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Předčasné ukončení, náhrada škody nebo jiné srovnatelné sankce: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Porušení povinností stanovených v rámci čistě vnitrostátních důvodů pro vyloučení: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Porušení povinností týkající se placení příspěvků na sociální zabezpečení: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Porušení povinností týkající se placení daní: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Obchodní činnost je pozastavena: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Úpadek: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Dohoda o vyrovnání s věřiteli: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Platební neschopnost: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Majetek spravuje likvidátor: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Srovnatelná situace jako úpadek podle vnitrostátních právních předpisů: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
