Hlavní prvky řízení: The procurement will be carried out in accordance with the Public Procurement Act of 17 June 2016 (LOA) and the Public Procurement Regulations (FOA) FOR 2016-08-12-974 parts I and part III. The contract will be awarded in accordance with the open tender contest procedure, cf. FOA § 13-1(1). Negotiations are not allowed in this competition. Tenders cannot, therefore, be changed after the tender deadline has expired. Furthermore, attention is agreed that tenders that include significant deviations from the procurement documents shall be rejected in accordance with the Public Procurement Regulations § 24-8(1) b. The contracting authority can reject tenders that include deviations from the procurement documents, uncertainties etc., which must not be considered insignificant, cf. The regulations § 24-8(2) a. Tenderers are therefore strongly encouraged to follow the instructions given in this tender documentation with annexes and possibly to question the contracting authority's ambiguousness.

Praní peněz nebo financování terorismu: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Účast na zločinném spolčení: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of

participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Teroristické trestné činy nebo trestné činy spojené s teroristickými činnostmi: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, of 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Dětská práce a jiné formy obchodování s lidmi: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Porušení povinností stanovených v rámci čistě vnitrostátních důvodů pro vyloučení: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Porušení povinností týkající se placení příspěvků na sociální zabezpečení: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Porušení povinností týkající se placení daní: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Úpadek: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Dohoda o vyrovnání s věřiteli: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Platební neschopnost: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current

national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

5.1.9. Kritéria pro výběr

Zdroje výběrových kritérií: Jednotné evropské osvědčení pro veřejné zakázky (ESPD), Oznámení

Kritérium: Zápis do obchodního rejstříku

Popis výběrového kritéria: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Kritérium: Další ekonomické nebo finanční požadavky

Popis výběrového kritéria: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Creditworthiness with no requirement for collateral will be sufficient to meet the requirement. Tenderers are required to be credit worthy and have financial solidity with a minimum credit score of A in accordance with an assessment made in CreditPro from the credit information agency Dun & Bradstreet AS. The contracting authority will obtain a credit report from Dun & Bradstreet AS. The report contains, among other things, the auditor's report, negative payment remarks, accounts and credit history, and it shall be based on the last known accounting figures. Companies not subject to credit appraisal shall present approved accounting figures showing satisfactory good credit worthiness and sufficient financial implementation ability, or any other document that the tenderer deems suitable.

Kritérium: Reference na určité dodávky

Popis výběrového kritéria: Only for public goods deliveries: In the reference period, the tenderer has carried out the following important deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Tenderers shall have good experience from comparable contracts. DOCUMENTATION REQUIREMENT: Description of the tenderer's three most relevant contracts in the course of the last three years. The description must include a statement of the contract's value, date and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document their experience by referring to competence of the personnel he has at his disposal and can use this assignment, even if the experience has been worked up while the personnel have served another service provider. The reference projects shall be documented in a separate annex.

Kritérium: Certifikáty od nezávislých subjektů o systémech nebo standardech pro řízení životního prostředí

Popis výběrového kritéria: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements Tenderers shall have a third-party certified environmental management system that fulfils ISO 14001, EMAS, Miljøfyrtårn or equivalent environmental management standards based on relevant European or international standards from accredited bodies. Documentation requirement: Certificate issued by an independent body that documents that the tenderer is certified in accordance with ISO 14001, EMAS, Miljøfyrtårn or equivalent environmental management standards based on relevant European or international standards from accredited bodies. The contracting authority will accept equivalent certificates issued by bodies in other EEA countries. Other documentation for equivalent environmental management measures will be accepted if the tenderer cannot obtain such certificates by the deadline, and this is not due to the tenderer himself. It is a prerequisite that the tenderer documents that these measures are equivalent to the requested environmental management systems or standards. The documentation must, in a clear and systematic manner, show that the measures are equivalent, and must be of such a nature that the Contracting Authority can assess fulfilment itself.
