Název: Finavia: Food & Beverage Units to Non-Schengen - Concession Notice - Request to Participate

Popis: Finavia grants possession of business premises at the non-Schengen of Helsinki Airport, to Operator specializing in offering food & beverage (F&B) atmosphere and F&B products. The tender consists of two (2) F&B units. The units shall be open to all potential customers during the joint opening hours of the commercial services at the airport. Part of the restaurant's food and beverage offering shall be available to customers 24 hours a day. The tendered unit consists of one primary unit with high-capacity kitchen facilities supported by additional unit to maximise the sales for the Operator and the service level for passengers and other customers. Sharing a good location directly alongside customer routes and lively gate areas. The premises are visible, easily accessible alongside passenger's way to their gate, where streams of passengers can pause and enjoy a meal, drink or a refreshing cup of coffee in a welcoming and appealing environment. Excellent customer service provided by a highly skilled and dedicated staff and a pleasant ambiance and coherent design of the premises create additional value to customers and the area. Finavia's vision is to offer world-class services for air passengers and airlines. At the heart of our strategy is the development of Helsinki Airport. World class customer experience will distinguish us from our competitors. Our customer promise "For smooth travelling" underlines the vision and kept by actions lead by customer experience pillars: GIFT OF TIME "I have time to do the things I like" CONFIDENCE "I have a feeling that I am on top of things" REFRESHED "I feel good - body, mind and soul" FINNISH EXPERIENCE "I experience something unique".

2.1.4. Obecné informace

Další informace: The non-Schengen Food & Beverages (F&B) Units consist of unique premises in the key location in the immediate vicinity of the non-Schengen terminal's passenger routes. Situated at the heart of the non-Schengen passenger routes, non-Schengen F&B Units serve a high volume international and local customers with relatively more international passengers than in other parts of the Helsinki Airport gate area. The aim of the premises is to create a welcoming and stylish spaces equipped with first- rate service and design at Helsinki Airport's international non-Schengen terminal. Tasty menus and high-quality customer service completed with inviting and coherent design of the premises create

additional value for the customer and the airport area overall. Operating at the heart of the non-Schengen terminal, the non-Schengen F&B Units offer passengers a relaxed space to pause and enjoy a refreshment and meal while preparing for departure. The non-Schengen F&B Units are a wide selection of attractive and interesting F&B products appealing to international and local customers. The Non-Schengen F&B Units consist of two premises out of which one shall be a stylish all-day food & beverage (F&B) restaurant that takes dayparting outstandingly well into consideration and reflects a local sense of place through its concept and offering. The second unit shall be a highly recognizable, globally branded Quick Service Restaurant (QSR). Main customer groups for these units are all departing non-Schengen passengers. Other main customer groups include arriving passengers as well as people working in the airport area. As the non-Schengen terminal is a hub of arriving departing and transferring passengers to international and long-haul destinations, there is a relatively more international customers visiting these units than in other parts off the gate areas of Helsinki Airport. Thus, stylish and high quality but yet inspirational concepts and products are in demand for these locations. Excellent customer service provided by a highly skilled and dedicated staff and a coherent design of the premises create additional value to customers and the airport area overall. The envisaged play area to be implemented by the Tenant next to the all-day restaurant is aimed to add value to families traveling with kids. The units form the heart of the F&B offering in the most central location of the non-Schengen terminal. Thus, an impressive collection of appealing and in-demand concepts and products shall be expected in the busy and unique hub that is Helsinki Airport non-Schengen terminal. The tenderer shall show high competence, creativity, and understanding in serving the right products, product combinations and concepts to best fulfil customers' needs. A skilled and dedicated restaurant staff creates a warm and professional ambience. Excellent customer service is one of the key objectives for Helsinki Airport. Therefore, the opening hours of restaurants throughout the airport are unified and Finavia shall be entitled to determine the opening hours. The all-day restaurant premises is expected to operate 24 hrs a day with scalable product offering. The Unit(s): Ref. of floor plans: D2317, D2360, D2367 Size: Approximately 953 m2 Non-Schengen Airside The construction of the premises is planned to start 1.2.2027 The opening date is planned to be 1.5.2027
