

Spojené království/Velká Británie-Hartlepool: Služby související s likvidací odpadů a odpady

OJ S 142/2020 24/07/2020

Oznámení o zahájení zadávacího řízení

Služby

Právní základ:

směrnice 2014/24/EU

Oddíl I: Veřejný zadavatel

I.1. Název a adresa

Úřední název: Hartlepool Borough Council
Poštovní adresa: Civic Centre, Victoria Road
Obec: Hartlepool
Kód NUTS: UKC1 Tees Valley and Durham
PSČ: TS24 8AY
Země: Spojené království
Kontaktní osoba: Stuart Little
E-mail: stuart.little@local.gov.uk
Internetové adresy:
Hlavní adresa: www.hartlepool.gov.uk

I.2. Informace o společném zadávání veřejných zakázek

Zakázku zadává centrální zadavatel

I.3. Komunikace

Zadávací dokumentace je dostupná přímo a zcela bez omezení či poplatků na:
<https://procontract.due-north.com>
Další informace lze získat na výše uvedené adrese
Nabídky nebo žádosti o účast musí být zaslány elektronicky prostřednictvím:
<https://procontract.due-north.com>
Nabídky nebo žádosti o účast musí být zaslány na výše uvedenou adresu

I.4. Druh veřejného zadavatele

Regionální či místní orgán

I.5. Hlavní předmět činnosti

Služby pro širokou veřejnost

Oddíl II: Předmět

II.1. Rozsah veřejné zakázky

II.1.1. Název

Tees Valley Energy Recovery Facility Project
Spisové číslo: DN488406

II.1.2. Hlavní kód CPV

90500000 Služby související s likvidací odpadů a odpady

II.1.3.

Druh zakázky

Služby

II.1.4. Stručný popis

Hartlepool Borough Council is seeking to procure, on behalf of itself and six other local authorities (Darlington Borough Council, Durham County Council, Middlesbrough Council, Newcastle City Council, Redcar and Cleveland Borough Council and Stockton-on-Tees Borough Council), the development, construction, commissioning, financing and operation of an ERF to receive and treat all of the residual municipal solid waste collected by each of the local authorities.

The ERF will be required to have capacity to at least the Councils' forecast residual waste over the term, and accommodate changes in waste growth leading to an expected processing capacity of at least 450 000 tonnes of waste per annum towards the end of the term. As a sustainable solution, the ERF will be required to generate electricity from the waste treated and is to be constructed with capacity for heat offtake.

II.1.5. Předpokládaná celková hodnota

Hodnota bez DPH: 2 100 000 000,00 GBP

II.1.6. Informace o částech

Zakázka je rozdělena na části: ne

II.2. Popis

II.2.2. Dodatečný(-é) kód(-y) CPV

09310000 Elektrická energie, 42320000 Spalovny odpadů, 45210000 Bytová výstavba, 45222100 Výstavba zařízení na zpracování odpadu, 45251100 Výstavba elektráren, 51135110 Instalace a montáž spaloven odpadů, 65400000 Dodávky a rozvod jiných zdrojů energie, 71300000 Technicko-inženýrské služby, 71320000 Technické projektování, 90510000 Odstraňování a čištění odpadu, 90513100 Likvidace odpadu z domácností, 90513200 Likvidace tuhého městského odpadu, 90513300 Spalování odpadu, 90513400 Odvoz popela, 45222110 Výstavba skládek odpadů, 90513000 Odstraňování a čištění odpadu neklasifikovaného jako nebezpečný

II.2.3. Místo plnění

Kód NUTS: UKC1 Tees Valley and Durham

II.2.4. Popis zakázky

Hartlepool Borough Council is procuring a solution for the design, build, financing, commissioning, testing and operation of an ERF on behalf of itself and six other neighbouring local authorities (Darlington Borough Council, Durham County Council, Middlesbrough Council, Newcastle City Council, Redcar and Cleveland Borough Council and Stockton-on-Tees Borough Council) (together, the Councils). By 2025/26, it is forecast that the Councils will be producing circa 397 000 tonnes of residual waste per annum. The ERF will be required to have a capacity that is sufficient to receive and treat all of the residual municipal solid waste from each of the Councils as forecast over the term, with any spare capacity being used to treat similar waste from third parties.

The Councils are seeking a contractor who can provide a facility based on proven technology to dispose of and treat residual municipal solid waste and with the capability to generate electricity and heat for the local economy, thereby minimising diversion to landfill and climate impacts and maximising value generated from the waste treated. The successful contractor will also be responsible for all handling (including storage, marketing and recycling) of any

residues from the facility. Residues must be treated in such a manner as to minimise diversion to landfill and climate impacts and maximise recovery (value from) these materials. The ERF must be constructed on a 10 hectare brownfield site at Grangetown owned by the South Tees Development Corporation which comes with the benefit of outline planning permission. Comprehensive ground condition investigations are being undertaken and the results of these will be made available to all Tenderers.

The Councils' intention is to award a contract to the successful contractor in December 2021 for a 29 year term (including 3-4 years construction phase and at least 25 years operational phase) with an option to extend up to a further 11 years. The successful contractor will be required to accept and manage all contract waste from 1 April 2026. The Councils will incorporate a special purpose vehicle project company during the procurement process to act as the contracting entity.

The ERF will be designed to comply with Specification and all relevant planning permission and environmental permit conditions and will be required to achieve a sustained operation of at least 93 % availability. The contract will incorporate a performance management framework to incentivise optimal performance. Contract waste composition risk will sit with the contractor and the design of the ERF will be expected to take into account future changes in contract waste composition, including but not limited to the impact of proposed separate weekly food waste collections and enhanced recycling capture on residues.

The contractor will be required to maintain a single comprehensive electronic information management system, accessible by the Councils, for all information related to delivery of the works and services at the ERF including contract waste data, performance monitoring data (including vehicle turnaround times), health and safety, environmental and information on complaints and handling of these.

A key requirement of the Councils is that the proposed solution for the ERF must, where possible, support regional employment and regeneration as well as assisting the Councils in their strategies to reduce the climate change and carbon impacts of waste management and maximising recycling and recovery of waste. The successful contractor will be obliged to comply with all committed outcomes in a social value plan to be provided as part of its tender response.

Further details on the specification and other requirements can be found in the procurement documents which can be accessed in the ProContract tendering portal at <https://procontract.due-north.com>.

II.2.5. Kritéria pro zadání zakázky

Cena není jediným kritériem zadání a všechna kritéria jsou uvedena pouze v zadávací dokumentaci

II.2.6. Předpokládaná hodnota

Hodnota bez DPH: 2 100 000 000,00 GBP

II.2.7. Doba trvání zakázky, rámcové smlouvy či dynamického nákupního systému

Doba trvání v měsících: 348

Tuto zakázku lze obnovit: ano

Uveďte popis obnovení:

The contract is subject to an option to extend for a period of up to a maximum of a further 11 years, such option to be considered no less than 5 years prior to the expiry of the initial term.

II.2.9. Informace o omezeních počtu zájemců, kteří budou vyzváni k účasti v nabídkovém řízení

Předpokládaný počet zájemců: 3
Objektivní kritéria pro výběr omezeného počtu zájemců:

Candidates for invitation to the award stage of the procurement will be selected on the basis of responses to a number of selection criteria which evaluate the economic and financial standing of candidates as well as technical and professional capability and experience. These criteria include scored case study questions to focus on relevant capability and experience of candidates and which can be summarised as follows:

- 1) previous delivery of an ERF (including design, build and operation);
- 2) track record of operating an ERF;
- 3) delivery to a tight timetable;
- 4) information Management System functionality;
- 5) evidence of working with public sector/local authority clients;
- 6) delivery of added value/social value;
- 7) maintenance of business continuity; and
- 8) contract Management.

Further details on these, including relative weightings, can be found in the procurement documents.

II.2.10. Informace o variantách

Budou přijímány varianty: ne

II.2.11. Informace o opcích

Opce: ano

Uveďte popis opcí:

There will be an option to extend the term of the contract for an additional 11 years, such option to be considered no less than 5 years prior to the expiry of the initial term.

II.2.13. Informace o financování z prostředků Evropské unie

Zakázka se vztahuje k projektu a/nebo programu financovanému z prostředků Evropské unie: ne

II.2.14. Další informace

All completed responses to the SQ must be received in electronic form via the ProContract tendering portal by no later than 10:00 GMT on 7 September 2020. Responses submitted by post or e-mail will not be accepted. Any queries regarding this procurement must be submitted electronically via the ProContract tendering portal. The Councils reserve the right not to award a contract for any reason.

Oddíl III: Právní, ekonomické, finanční a technické informace

III.1. Podmínky účasti

III.1.2. Ekonomická a finanční situace

Kritéria pro výběr jsou uvedena v zadávací dokumentaci

III.1.3. Technická a odborná způsobilost

Kritéria pro výběr jsou uvedena v zadávací dokumentaci

Oddíl IV: Řízení

IV.1. Popis

IV.1.1. Druh řízení

Soutěžní dialog

IV.1.3. Informace o rámcové smlouvě nebo dynamickém nákupním systému

IV.1.8. Informace o Dohodě o veřejných zakázkách (GPA)

Na zakázku se vztahuje Dohoda o veřejných zakázkách: ano

IV.2. Administrativní informace

IV.2.1. Předchozí zveřejnění týkající se tohoto řízení

Číslo oznámení v Úř. věst. řady S: [2019/S 246-606061](#)

IV.2.2. Lhůta pro doručení nabídek nebo žádostí o účast

Datum: 07/09/2020 Místní čas: 10:00

IV.2.3. Předpokládané datum odeslání výzvy v k podání nabídek nebo účasti vybraným zájemcům

Datum: 01/11/2020

IV.2.4. Jazyk nebo jazyky, ve kterých mohou být podávány nabídky nebo žádosti o účast

Angličtina

IV.2.6. Minimální doba, po kterou je uchazeč svou nabídkou vázán

Doba trvání v měsících: 12 (od uplynutí lhůty pro podání nabídek)

Oddíl VI: Doplnující informace

VI.1. Informace o opakování zakázek

Jde o opakovanou zakázku: ne

VI.3. Další informace

Engineering, Procurement and Construction (EPC) Contractor exclusivity will not be a requirement for the selection stage of this procurement. However, if successful at selection stage, bidders will be required to formally select an EPC Contractor to partner with on an exclusive basis (i.e. any one EPC contractor may only be involved in one bid at the dialogue /award stage of this procurement).

Where and to the extent that an EPC Contractor is involved in more than one of the tenders which is successful at selection stage, that EPC Contractor will be required to select which of those tenders it will continue to be involved with at the dialogue/award stage of the procurement. A period of 14 days will then be given to any bidders who have been successful at selection stage but are no longer partnered with an EPC Contractor to source an alternative EPC Contractor and to resubmit their bid(s) on that basis. The resubmitted bids will then be re-evaluated to ensure that they remain in the highest scoring bids at selection stage and so eligible to be invited to the dialogue/award stage. For further details on this process, please see the selection questionnaire and other procurement documents, which can be accessed at <http://procontract.due-north.com>.

At final tender stage, certain provisions of the contract must be fully accepted by all remaining tenderers as drafted (Fixed Provisions) and cannot be subject to amendment or qualification in final tender submissions. All remaining tenderers at final tender stage will be required to provide formal confirmation that these Fixed Provisions are accepted and failure to do so or any attempt to qualify any confirmation will be deemed to be a non-compliant response. Tenderers will be required to obtain full planning permission for the site. Confirmation of receipt of full planning permission will be a condition for appointment as preferred bidder and must be in place by the time final tender submission evaluations have been concluded.

The Councils reserve the right to modify the rules and procedures as set out in the procurement documents and/ or to amend any of the requirements of this procurement at any stage.

VI.4. Přezkumná řízení

VI.4.1. Orgán příslušný k přezkumu

Úřední název: High Courts of England and Wales

Poštovní adresa: 7 Rolls Buildings, Fetter Lane

Obec: London

PSČ: EC4A 1NL

Země: Spojené království

Internetová adresa: www.judiciary.gov.uk

VI.4.3. Přezkumné řízení

Přesné informace o lhůtách pro přezkumná řízení:

Precise information on deadline(s) for review procedures:

Any appeals or requests for review of any decision should, in the first instance, be brought to the attention of the relevant contact as set out in Section 1 above. These will be dealt with in accordance with the provisions of the Public Contracts Regulations 2015.

In accordance with the Public Contracts Regulations 2015, the Councils will observe a minimum of 10 clear calendar days' standstill period from the date contract award information is communicated to all tenderers, during which period, an unsuccessful tenderer may seek to challenge contract award before a contract is entered into by the Councils. Any aggrieved party who has or may be affected by a breach of the Public Contracts Regulations 2015 may take action in the High Courts of England and Wales.

VI.5. Datum odeslání tohoto oznámení

22/07/2020
