Název: Dynamic Purchasing System for the Procurement of Gas Storage Obligations

Popis: The Danish Energy Agency (DEA) DEA aims to ensure sufficient injection of gas in the Danish storage facilities in order to strengthen security of supply ahead of the 2026/2027 winter season. For this purpose, DEA is establishing a dynamic purchasing system for the procurement of gas storage obligations, where economic operators may be prequalified and then submit tenders for individual contracts. A gas storage obligation means that the winning tenderer has to ensure that the agreed amount of gas, as defined in Directive (EU) 2024/1788 of the European Parliament and the Council of 13 June 2024, is stored in the gas storage facilities Stenlille Storage Facility and the Lille Torup Storage Facility at the date and time set specified out in the agreement.

2.1.4. Obecné informace

Další informace: The following documentation must be submitted with the application in the e-sourcing system. Documentation shall be submitted in Danish or English. Where the issuing authority does not provide the documentation in Danish or English, the documentation may be submitted in the original language. Documentation in languages other than Danish or English shall be accompanied by a translation of the relevant parts and a cross#reference to the corresponding parts of the original document where the text appears. The contracting authority

has specified the documentation that a Danish company must submit as proof regarding exclusion grounds. If the candidate is a foreign company, they can use e-Certis to identify the information and documents that are useful as proof. If the candidate cannot locate the required information in e#Certis, the Contracting Authority refers the candidate to Annex 8 Guidance on support documentation Exclusion Criteria OK_V1.pdf, subject to the reservation that the information contained in those documents may not be current or may otherwise be inaccurate. If no documents or certificates are issued in the country where the candidate's company is established, a person authorized under the law to represent the candidate (the legal representative) may provide a sworn statement made before a judicial authority or notary or, failing that, a solemn statement made before an administrative authority or a qualified professional body. The candidate, if it is a Danish company, must submit a service certificate issued by the Danish Business Authority, containing information about: - Grounds for exclusion regarding criminal convictions according to the Danish Public Procurement Act § 135(1). - Payment of taxes and duties or contributions to social security schemes according to the Danish Public Procurement Act § 135(3) and § 137(1), number 6. - Grounds for exclusion regarding bankruptcy, insolvency, or liquidation proceedings according to the Danish Public Procurement Act § 137(1), number 2.
