Economic operators may be excluded from this competition if they are in any of the situations referred to in regulation 58 of the Public Contracts (Scotland) Regulations 2015.

If a bidder is not able to provide the requested ESPD supporting documents, or withholds or misrepresents such information, this is a discretionary ground for exclusion

Opportunity is for immediate work requirements to safeguard the project Further tendering opportunities may be published in due course.

The Procurement is an Open procedure - Accelerated.

The Harbour has been partially constructed to date. Revetment works remain incomplete with uncertainty regarding the stability of the remaining structure. Without substantial works being undertaken there is a significant risk that erosion of the existing works will lead to further land slippage and risk to the adjacent roads infrastructure.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=621860.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

The Contracting Authority does not intend to include any community benefit requirements in this contract for the following reason:

The works will have a very limited duration and nature of the works will provide little opportunity for community benefits. The works are part of a wider project where community benefits are incorporated.
