2.1. Procedure

Titel: Snow clearing and gritting on municipal road areas

Beskrivelse: There is a need for 24 hour stand-by in the winter season every year for snow clearing, milling and gritting on five routes: lot 8, 20, 33, 41 and 50. The services that are set up on days outside the stand-by period can be required. The requirements for stand-by and set response and execution times apply, however, only for stated periods. See the contract's annex 1 Contract provisions part B Special contract provisions for further description of assignments and requirements for execution, as well as the requirements for vehicles, machines and equipment. The areas of the area are scattered in the municipality. The nature of the routes are of different types. See the overview here and annex 4 Route list for details.

Udbudsprocedure: Offentligt udbud

Proceduren er en hasteprocedure: nej

Hovedpunkterne i proceduren: The contracting authority intends to enter into one or several agreements for services for one or several routes. This applies for lots 8, 20, 33, 41 and 50. See the tender documentation for further information. The terms of the agreement will be regulated by the attached contract. Only one contract shall be signed per area, mao. no more contracts associated with a lot. The contract period for the contracts is from 01.10.2026 to and including 30.09.2029, i.e. 3 years and 3 winter seasons, with an option for a 1 year (1 winter season) up to and including 30.09.2030. The maximum contract length, including option years, will be 4 winter seasons over 4 years. The option for an extension will be automatically taken up unless the contracting authority notifies the tenderer in writing that the option will not be taken up by 1 May 2029.
