Yderligere oplysninger: 1. At the time of the publication of the Competitive Dialogue, the Contracting Entity expects to finance this project from combination of its own resources and EU /state funds. 2. The Contracting Entity estimates the value of the tender at 40 mil. EUR excluding VAT. The estimated value is based on expert estimation based upon preliminary market consultation and preliminary scope definition. The Contracting Entity states that the estimated value is only an approximation of the true value because the goal of this Competitive Dialogue is to determine the technical specification of the Works and therefore cannot be fully estimated. 3. The Contracting Entity shall request furnishing of a Tender Security to secure the offer. The Tender Security amount shall be 30 000 EUR (in words: thirtythousand euro). 4. The method and content of the Dialogue phase, the Calls, requests, Outputs and any documentation will be set with each step. Contracting Entity shall open a dialogue with the chosen Participants the aim of which shall be to identify and define the means best suited to satisfying its needs. Contracting Entity may discuss all aspects of the project with the Participants during this phase. It allows Participants to clarify, define and

develop their proposals before submitting final offers. The Contracting Entity shall continue the dialogue phase until it can identify the solution or solutions which are capable of meeting its needs. The Contracting Entity presumes 3 rounds of the Dialogue phase, which are in detail described further in this Descriptive document. The Contracting Entity may determine rewards for Participants who take part in the dialogue as set by Contracting Entity in the Competitive Dialogue. 5. The Contracting Entity identified the needs and objectives of the Competitive Dialogue through the announcement of preparatory market consultations on 13th of April 2022: <https://seas.eranet.sk/#/tenderPublicDetails/7150>. The Contracting Entity took into account the results of the market consultations when preparing the Call for competition and the Descriptive Document for the Competitive Dialogue. 6. The Tender will be held in the English language. All the communication in the Tender will be done in English. The Contracting Entity will accept offers submitted in English, Slovak as well as Czech languages (following the requirement by the law). If the Candidate/Participant states in the communication with the Contracting Entity their communication language as Slovak or Czech, the Contracting Entity shall lead the oral communication in Slovak as well as minutes of the meetings and reports. Written communication done by the Contracting Entity towards all of the Participants will be done in English. The ruling language of the Contract and its Annexes will be always English. If the Certificates, documents by means of which the candidate/group of candidates demonstrates compliance with the conditions of participation (art. 32 and art. 34 of the PPA) or the offer security documentation have been issued in original form in Slovak language or Czech language, the Participant may submit such documents in their original form in Slovak language or in Czech language. If the Certificates, documents by means of which the candidate/group of candidates demonstrates compliance with the conditions of participation (art. 32 and art. 34 of the PPA) have been issued in any other language than Slovak, Czech or English the Participant must provide such document in official translation to English. 7. If more than 3 Participants meet the participation conditions, the Contracting Entity will choose the invited Participants based on the following evaluation of the provided references. The chosen Participants will be ranked in the 1st instance from the highest number of all declared references meeting the participation condition and in second instance the highest total sum of installed power in all declared references meeting the participation condition. All declared references to apply for the decisive rule must be according to the Minimum Required Level of the standard set in point 3.3.1 for the participation conditions.

5.1.7. Strategiske udbud

Formålet med strategiske udbud: Ingen strategiske udbud

5.1.9. Udvælgelseskriterier

Kriterium:

Type: Teknisk og faglig formåen

Beskrivelse af udvælgelseskriterium: In accordance with the provision of Section 34 par. 1 (a) of the Public Procurement Act: A list of deliveries of goods/provided services of equal or similar nature and complexity as that of the tender subject matter carried out during the preceding ten years prior to the declaration of the public procurement, with indication of two dates: start of design and completion of commissioning, customers, contact person for the customer (incl. name, phone number, email), parameters of the project. Minimum required level of the standard: The list of deliveries of goods/provided services and information about individual references should make it clear that the Candidate within the relevant period delivered the goods/provided services of equal or similar nature to that of the tender subject matter. The Candidate shall provide minimum one reference from the past 10 years, in which the Candidate designed, manufactured and successfully commissioned a motorgenerator of

equal or similar nature to that of the tender subject as defined by these technical requirements meeting both technical requirements: • Synchronous Generator/Motor (GM) of minimal 80 MW of installed power on one machine at the hydro power-plant The Candidate shall provide minimum one reference from the past 10 years, in which the Candidate designed, manufactured and successfully commissioned a motorgenerator of equal or similar nature to that of the tender subject as defined by these technical requirements meeting both technical requirements: • Generator/Motor with variable speed application at least 60 MW on one machine Evidence of each of the above technical requirements does not need be from a single completed project. The Candidate shall provide all applicable references meeting the above mentioned requirements, for the purpose of applying the decisive rule. When the Contracting Entity will be applying the decisive rule in case of qualification of more than 3 participants the Candidate will not be able to add any further references after the deadline for Request for participation. Ten years interval for the provided goods and services was chosen because the scale and the rare occurrence of such projects. Therefore, the 3-year interval would not even cover the length of such projects.

5.1.10. Tildelingskriterier

Kriterium:

Type: Kvalitet

Navn: Best price-quality ratio

Beskrivelse: The criteria for evaluating offers (hereinafter referred to as the "Criteria") established for the purpose of selecting the best price-quality ratio

Kategori for tildelingskriteriet fast værdi: Fast værdi (i alt)

Tildelingskriterium talværdi: 100

Beskrivelse af den metode, der skal anvendes, hvis vægtningen ikke kan udtrykkes ved hjælp af kriterier: Participants will get points based on concept value for money. Points will be awarded as a function of proposed technical parameters and offered price. Each increase in Round Trip Efficiency will add points. One percent of RTE efficiency increase corresponds to revenues in the NPV calculation equal to 213k EUR per year, over a time period of 25 years. RTE efficiency increase will be automatically calculated based on inputs of expected weighted efficiency of motor generators TG1&TG2 by Participant. Each increase of offered price will lower points obtained. Participants will have to offer only solution within the range of required technical parameters and offered price. The ranking of Participants will be set based on the highest number of received points. The ranking of Participants will be determined based on the points obtained from the criteria equation by filling in the data in the excel sheet and table (Evaluation score). The number of points will be rounded to two decimal places.
