2.1. Procedure

Titel: Climate Action and Sustainability for Corporate

Beskrivelse: The overall objective of this Assignment is to contribute to the EU sustainable finance policy objectives by strengthening the role of corporates in the transition to a low-carbon, climate-resilient and environmentally sustainable economy. Under the Advisory Programme to Support Climate Action and Sustainability for Corporates, the EIB will support selected Beneficiaries in developing Climate Alignment Plans (decarbonisation, resilience, mitigation and adaptation plans), and sustainability-linked financing frameworks. The specific objective of this Assignment is for a Service Provider to support Beneficiaries to adjust and align their business models and investment projects to climate and environmental sustainability related regulatory and lending requirements. In particular, this involves advisory support related to Climate Alignment Plans, Sustainability-Linked Loans and Transversal Tasks.
