In the tender notice the estimated value was incorrectly given to NOK 4 million per lot. The correct estimate, which has always been in the terms of the competition, is NOK 1.2 million for sub-contracts 1 and NOK 2.8 million for sub-contract 2. The tender notice is therefore amended in such a way that it complies with the terms of the competition. The correction concerns only the information on the estimated value. The procurement's content, scope, requirement specifications, award criteria, contract terms and deadlines are unchanged.
