2.1. Procedure

Titel: Competition - C06872 - Perimeter and perimeter road - Andøya - 101074
Beskrivelse: The Ministry of Defence has given the Norwegian Defence Estates Agency the task of establishing a new perimeter security with the accompanying perimeter road at Andøya air station. The initiative is for the establishment of approx. 9.3 km perimeter fence with a total height of 4 metres, as well as the accompanying perimeter road of approx. 7-9 km. The route stretches from the sea south of the air station, along the west side of the air station area and on to the sea in the north. Large parts of the route go through marsh areas, while some stretches touch rock and moraine foundations. The work is mainly planned to be carried out outside of the existing perimeter, so that the air station´s security and operative functions can be maintained during the construction period. The Norwegian Defence Estates Agency hereby invites tenderers to a competition for the execution of the work. The procurement´s further extent, technical requirements and other prerequisites for the execution are in the tender documentation with accompanying annex.NB: This is a NATO project and in accordance with applicable rules, only companies from NATO countries who can be contractors/suppliers, including sub-contractor/manufacturer. The ban also applies to suppliers of materials and equipment. Site inspection: A site inspection will be held 12.11.2026, 12:00. See the tender documentation part I point 3 for further information on the place to meet, registration information etc.
