The units shall be open to all potential customers during the joint opening hours of the commercial services at the airport, with excellent service to all travellers at a travelling environment. Whenever the fashion multibrand units are seen, they invite the customer to enjoy an inspiring shopping moment at Helsinki Airport with recognized brands and a comprehensive service portfolio, in a pleasant and stylish environment created by skilled and dedicated staff, as well as a stylish design to create additional value to passengers and the area. Helsinki Airport has been awarded as the Best Airport in Europe in its size category of 15-25M passengers by ACI for seven times. It is also ranked one of the best airports for business travellers (Skytrax) and has been selected as one of the most beautiful airports in the world (Prix Versailles, 2023). Recently, Helsinki Airport won Commercial Space of the Year 2025 award (NCSC Awards Finland). The success of Helsinki Airport is largely based on its ability to stand out from the others – being “not just another airport”. We especially value concepts that are Helsinki Airport exclusive – not found elsewhere as is. Finavia’s vision is to offer world class services for air passengers and airlines. At the heart of our strategy is the development of Helsinki Airport. World class customer experience will distinguish us from our competitors. Our customer promise “For smooth travelling” underlines the vision and kept by actions lead by customer experience pillars: GIFT OF TIME "I have time to do the things I like" CONFIDENCE "I have a feeling that I am on top of things" REFRESHED "I feel good - body, mind and soul" FINNISH EXPERIENCE "I experience something unique".
