Titel: BA-26-023-GK Project reserve water Gjøvik-Biri ENT1B Raw water pump station

Beschreibung: Gjøvik municipality is responsible for ensuring a safe and stable delivery of drinking water to the inhabitants of the municipality. In order to strengthen security of supply, it has been decided to establish a full-fledged back-up water system that can supply both Biri and Gjøvik. Stage 1 of the project included the establishment of an submarine pipeline from Gjøvik to Redalen, the construction of a pressure increase station, as well as the establishment of a connection point for the continuation of the pipeline towards Biri. The sea pipeline was lowered in Mjøsa in autumn 2020, and after completion of the pump station the facility was put into operation in 2021. In stage 2 the pipeline shall be continued from Redalen to Biri, where both a raw water pump station and a new water treatment plant shall be established. In this contract, the establishment of a raw water pump station with the execution of pipelines from ENT2 up until the land pipeline contract ("ENT3") shall be executed.

5.1.9. Eignungskriterien

Quellen der Eignungskriterien: Bekanntmachung

Kriterium: Eintragung in das Handelsregister

Beschreibung des Eignungskriteriums: Tenderers are required to have a legally established company. Documentation requirements: •Norwegian companies: Company Registration Certificate. Foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established.

Kriterium: Andere wirtschaftliche oder finanzielle Anforderungen

Beschreibung des Eignungskriteriums: Tenderers must have sufficient financial capacity to carry out the assignment. Documentation requirements: • Annual accounts for 2024 and 2025, auditor approved. • A credit rating based on the most recent financial figures. The rating shall be carried out by a credit rating company with a licence to conduct this service and it must not be older than 6 months calculated from the deadline for submitting a request for participation in the competition. The contracting authority reserves the right to carry out their own credit assessments in an independent company. If a tenderer has a justifiable reason for not submitting the documentation required by the contracting authority, he can document his economic and financial capacity by presenting any other document that the Contracting Authority deems appropriate. If a tenderer has any doubts, it is recommended that they contact the contracting authority and question what documentation this can be.

Kriterium: Relevante Bildungs- und Berufsqualifikationen

Beschreibung des Eignungskriteriums: Tenderers shall have sufficient relevant experience. When assessing "sufficient relevant experience", particular emphasis will be put on whether the tenderer (or supporting company) has carried out work with: • Waterproof concrete constructions • Excavation of deep sheet pits • Pressurised pipe installations made of stainless steel and acid proof steel, dimensioned Ø500 mm or larger. • Delivery, installation and commissioning of pumps • Steel pipes in pressure class, minimum PN16. • Projects where welding pipes made of steel have been executed, dimensioned 500 mm. Tenderers are not required to have experience from all of the above mentioned work in the same project that the Contracting Authority will carry out a total assessment of documented experience. Documentation requirements: A report shall be provided of relevant reference projects carried out in the last ten years. A total of four (4) reference projects can be referenced. The following information must be given on each of the projects: • Assignment and project description, including a statement of execution class for waterproof concrete structures where relevant. • The contracting authority and gender neutral preferred, including contact information. • The duration of the contract that the tenderer has carried out • The value of the contract that the tenderer has carried out The account shall be given on the form for reference projects, Annex C. The tenderer is required, through a description of reference projects, to identify the relevance for the assignment. Tenderers can document their experience by referring to competence of the personnel he has at his disposal and can use this assignment, even if the experience was gained while the personnel have served another employer/business. Note that the same reference projects are used to possibly opt out of any redundant, qualified tenderers, cf. point 3.9 below. (CVs for this description shall not be enclosed.)

Kriterium: Maßnahmen zur Sicherstellung der Qualität

Beschreibung des Eignungskriteriums: Tenderers shall have a suitable and implemented quality assurance system. The requirement must be fulfilled by the tenderer himself.

Documentation requirements: An account of the tenderer's quality assurance system as well as a copy of the table of contents. The account shall have a maximum of three A4 pages with the following formatting: • Margin: 2.5 cm • Font: Arial (Body) font size 11 • Line spacing 1.5 If a tenderer is certified in accordance with ISO9001 or equivalent certification schemes, it will be sufficient to fulfil the requirement.

Kriterium: Umweltmanagementmaßnahmen

Beschreibung des Eignungskriteriums: The tenderer shall have a suitable and implemented environmental management system. The requirement must be fulfilled by the tenderer himself.

Documentation requirements: An account of the tenderer's environmental management system as well as a copy of the table of contents. The account shall have a maximum of three A4 pages with the following formatting: • Margin: 2.5 cm • Font: Arial (Body) font size 11 • Line spacing 1.5. If the tenderer is certified in accordance with ISO 14001:2015, Miljøfyrtårn , EMAS or equivalent certification schemes, this will be sufficient to fulfil the requirement.

Kriterium: Relevante Bildungs- und Berufsqualifikationen

Beschreibung des Eignungskriteriums: Technical and professional competence and relevant experience is required of the following key personnel who shall be used for this assignment:

•Manager • Site manager • Assembly responsible for machine delivery Documentation requirements: CVs shall be submitted for the three key persons (project manager, site manager and assembly manager), who ought to include: •Education • professional experience, • relevant courses • A description of the up to three most relevant reference projects for each key personnel. The tenderer is required to use the template for CVs to present relevant competence and experience. Only the key personnel' documented competence and experience shall be included in the evaluation. The tenderer's general references will not be assessed here. Annex E, Template for CVs shall be used.
