2.1. Verfahren

Titel: 26023 - Procurement of freight and forwarding services.

Beschreibung: The Norwegian National Opera & Ballet (DNO&B) needs to enter into a framework agreement with one tenderer for the delivery of freight and forwarding services. The objective of the procurement is to ensure efficient, flexible and reliable transport systems for DNO&B's activities. The assignments will mainly include both international and national dispatches. The dispatches will vary in scope and complexity, from smaller express packages to transporting complete productions. The latter can include dispatches equivalent to 1-10 units in the form of 20-45 foot containers and/or semi-trailers. Major transports can, as a main rule, be planned beforehand, but there will also be a need for ad hoc deliveries with a short response time.

Beschreibung: The contracting authority has assessed that climate and environmental considerations in this procurement are best safeguarded through requirements in the requirement specification, rather than as the award criteria with weighting. There are concrete and binding requirements for the delivery, including, among other things, requirements for the use of low or zero emission vehicles. These requirements mean that all tenderers must fulfil a defined minimum level for environmental performance.
