Titel: Framework agreement for vehicle stalling.
Beschreibung: There is a need to procure vehicle stalling for the agency´s large vehicle park, mainly refuse collection vehicles. It is also desirable to include on-site hoses/tyres, as well as clearance in connection with leaks etc. The vehicle stalling service is essential for ensuring operation of the agency's large vehicle fleet. Without secure operation of refuse collection vehicles and options for salvage at sea, the core service can be heavily affected, and major delays may occur in the various collection services. The contract has a maximum framework of NOK 5 million, but the amount is not binding for the contracting authority.
