13 Rodrigo Lozano is Full Professor of Organisational Sustainability University of Gävle, Sweden.
14 He is Specialty Chief Editor of Frontiers in Organisations for Sustainability. He is a visiting
15 professor at Central University of Technology, Bloemfontein, South Africa. For over twenty
16 years Rodrigo has been working towards Sustainability in NGO's, universities, and
17 corporations. Rodrigo holds a BSc in Chemical Engineering from Monterrey Tec, Mexico; a
18 MSc in Environmental Management and Policy, from Lund University, Sweden; and a PhD on
19 organisational change management for Corporate Sustainability at Cardiff University, Cardiff,
20 UK. Rodrigo is also the managing director of Organisational Sustainability Ltd. (www.org-sustainability.com).

21
22
23 Felipe Santos is a Ph.D. Scholar at the University of Gävle, Sweden, and an Early Stage
24 Researcher at SAPIENS Network, as a Marie Skłodowska-Curie Fellow. He holds a B.Sc. in
25 Political Science from the University of Brasilia, Brazil; and a M.B.A. in Public Management
26 and a M.Sc. in Governance and Development from the National School of Public
27 Administration, Brazil. He worked as a Brazilian civil servant for sixteen years, holding
28 positions at the Ministry of Education, Regional Court Labour, Federal Public Defender's
29 Office, and Brazilian Hospital Services Company. His research has focused on public
30 procurement, public management, governance, organisations, and sustainability.

31
32 Maria Barreiro-Gen is Associate Professor at the University of Gävle, Sweden. She has also
33 worked as Assistant Professor in the University of A Coruña, Spain, and in the National
34 Distance Education University (UNED). She holds a Bachelor in Business and a Bachelor in
35 Law, a Master in Public Policies, and a PhD on Economics (graduated with honours). For more
36 than ten years, she has been researching on public policies, sustainable organisations,
37 economic development, gender issues, business and management, and education.
