Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The procurement falls outside the scope of application of the directive

Explanation:

The Paxman Scalp Cooling System (PSCS) is available in a dual patient system which allows you to treat 1 patient alone or 2 patients at the same time. This is ideally placed in the middle of treatment chairs and is the type of scalp cooling system that RM require for their busy units. There are no other dual patient refrigerated scalp cooling systems available. We also require a dimension of at least H 640 mm x W 320 mm x D 420 mm, any larger would have an impact of space within the units. Paxman are the only manufacturer of a system this compact in size.
