The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The Norwegian Public Service Pension Fund, abbreviated and referred to as SPK, wishes to enter into a contract with an independent analysing agency that provides financial analyses. The analyses primarily include macroeconomics and investment strategy, directly towards investment decisions related to asset management. The analyses shall focus on investment strategies with clearly expressed advices regarding allotment of assets to various assets classes.

It is important for SPK that the service provider has a staff of good analysts with broad professional competence. The service provider must have extensive experience in interpreting the results provided by the models.

The procurement is published in Doffin and TED. The tender contest is a part II tender contest with negotiations.

II.1.6. CPV code(s)

66150000 Financial markets administration services, 79412000 Financial management consultancy services, 79311410 Economic impact assessment
