Section II: Object of the contract

II.1. Description

II.1.1. Title

Call for tender No EAHC/2013/Health/03 concerning training packages for health professionals to improve access and quality of health services for migrants and ethnic minorities, including the Roma.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 8: Research and development services

NUTS code

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

The work to be prepared under this call for tender is to review, develop, test and evaluate training for health professionals in order to facilitate the access and improve the quality of health services for migrants and ethnic minorities such as the Roma in the European Union.

The specific objectives are:

1. to identify and examine national laws and identify legal barriers for cross-border transfer of electronic health data from electronic health records and for the provision of cross-border e-health services;
2. to make recommendations to the e-health network on how national laws and European framework shall evolve to support cross-border e-health services.

The study shall also propose recommendations to the e-health network to work towards a sustainable legal framework at national and European level.

II.1.5. CPV code(s)

80561000 Health training services, 85121000 Medical practice services, 85121200 Medical specialist services
