The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description**II.1.1. Title**

County road 209 Storskaret-Arefjord.

II.1.2. Type of contract and place of performance or delivery

Works

Execution

Main site or place of performance: County road 209 Storskaret-Arefjord.

NUTS code NO Norge

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**II.1.4. Short description of the contract or purchase(s)**

The road section will be the new cross connection between National road 555 and the existing county road 209, and it will be a part of the local road system in the Straume area.

The road will go through an area that mainly consists of previously virgin terrain, but close to an existing high voltage line 300 / 420 kV.

A cycle path with a pavement is also planned for the entire section.

The contract also includes footbridges over the new section, where parts of these works are included as option works.

Some main quantities in the project:

Road length approx. 1 300 m;

Blasting approx. 110 000 m³;

Water and sewage ditches approx. 1 200 m;

Footbridges each approx. 75 m long;

See the tender documentation for a complete overview of the delivery.

II.1.5. CPV code(s)

45000000 Construction work
