Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: Professional qualifications The candidates ought to be registered in a trade register or a comparable register of trades or professions in his country of origin. By way of evidence of registration an extract from the trade register, not older than six months at the date of applying, should be enclosed with the application form. Enrolment in a commercial or professional register Proof of enrolment in a commercial or professional register

Applies to: Lot nr 1, Lot nr 2, Lot nr 3, Lot nr 4.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

III.2.2. Economic and financial ability

List and brief description of conditions: Financial and economic resources Balance-sheet
Balance-sheet

Applies to: Lot nr 1, Lot nr 2, Lot nr 3, Lot nr 4.

Minimum level(s) of standards possibly required: The candidate tenderers should have adequate financial and economic resources at their disposal in order to carry out the commission satisfactorily without financial risk for the contracting authority, even if the execution is delayed for a longer time due to unforeseen circumstances.

The company commissioned with the project is on request required to hand in the following evidence and/or statements with regard to their financial and economic standing within 7 working days from the date the contracting authority first requested them to do so.

— With respect to their solvency the candidates must hand over on first request their accounts drawn up by independent auditors and covering the last 3 financial years. Solvency is defined as the ratio between equity and total assets (equity/total assets). Equity is the sum total of assets minus debts. Equity is inclusive of the capital base. This statement should give a clear insight into the candidate's solvency (equity / total assets x 100 %). The average solvency should exceed 15 % over the financial years 2011, 2012 and 2013. In case of combined firms, all firms within the combination should meet this requirement.

— With respect to their liquidity the candidates must hand over on first request the accounts drawn up by independent auditors and covering the last 3 financial years. Liquidity is defined as the ratio between current assets and current liabilities as shown in the accounts (current assets / current liabilities). Current assets are assets in which capital is invested for a period shorter than 1 year. Examples of current assets are liquid assets, accounts receivable and stock inventories. Current liabilities are defined as all liabilities to be settled within the fiscal year. Examples of current liabilities are trade payables, other creditors, costs and taxes to be settled short-term loans. This statement should supply evidence of an average liquidity ratio (current assets/current liabilities) which equals or exceeds 0,5 over the financial years 2011, 2012, 2013. In case of combined firms, all firms within the combination should meet this requirement. Balance-sheet Balance-sheet.

III.2.3. Technical and professional ability

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

III.3.2. Information about staff responsible for the performance of the contract
