II.1.2. Main CPV code

73000000 Research and development services and related consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

The European Centre for Medium-Range Weather Forecasts (ECMWF) has entered into a contract for the provision of training and knowledge transfer services in support of the ECMWF Copernicus training programme. This contract will support training activities for new and existing users of C3S and CAMS. It includes the end-to-end organisation of training events and the maintenance and further development of the C3S and CAMS learning resources.

II.1.6.

Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 1 199 991,01 EUR

II.2. Description

II.2.3. Place of performance

NUTS code: DEA22 Bonn, Kreisfreie Stadt

NUTS code: UK United Kingdom

Main site or place of performance: May vary, including on Contractor's premises.

II.2.4. Description of the procurement

ECMWF awarded a single Framework Agreement of 48 months which shall be implemented initially with a Service Contracts of two years duration. This contract will provide training and knowledge transfer to new and existing users of the Copernicus Climate Change (C3S) and Copernicus Atmosphere Monitoring (CAMS) services, both entrusted to ECMWF. The contract is comprised of two parts. The first includes the end-to-end organisation and delivery of training events, from support to programme definition, promotion, communication with participants and partners, set-up of platforms and tools, support to delivery of training sessions and post event evaluation. The second part includes the maintenance and further development of learning resources for C3S and CAMS. These may be in the form of Jupyter resources (such as Jupyter notebooks, applications and Jupyterbooks), elearning modules, or other formats. Learning resources will be periodically tested and new resources will be developed in response to user needs. Also, the catalogues and landing pages of learning resources will be managed.

II.2.5. Award criteria
