Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with a single operator

In the case of framework agreements, provide justification for any duration exceeding 4 years:

La Ville de La Louvière souhaite louer des machines

proposant de gros débits (surtout pour son imprimerie communale). Il s'agit de

machines qui demandent un amortissement

plus important que de simples photocopieurs.

Le pouvoir adjudicateur souhaite donc réaliser un marché public d'une durée de 5

ans car les prix sont plus avantageux que

sur une période de 4 ans (principe du leasing). De plus, il y a une forte instabilité des

prix et donc des difficultés financières

importantes pour les pouvoirs publics. Cela permettra donc d'effectuer moins de

dépenses. Il est également important de

souligner l'impact environnemental moins important puisque les copieurs seront

utilisés une année supplémentaire. Enfin, une

durée de 5 ans permettra une stabilité plus importante dans le fonctionnement

quotidien. Les photocopieurs sont des outils

incontournables pour une administration.
