II.1.4. Short description

Community Musculoskeletal (MSK) Physiotherapy service provider Any Qualified Provider (AQP) framework.

Directorate of care and independence.

A review of MSK services birthed a vision of a 2-tier MSK framework — an initial tier offering community MSK services, supplied by an AQP framework of community providers, and a further tier offering more complex MSK treatment delivered as part of the acute trust.

Therefore, since April 2015, NEL has commissioned an AQP framework of community MSK physiotherapist providers to manage its non-complex MSK service.

The service which falls within this tender is the community MSK physiotherapy service which will be procured via an AQP “framework” approach, to appoint multiple organisations capable of delivering the specified service to the locality and offer a choice for referring GP’s and their clients or self-referrers. The provider/s will need to offer and deliver a robust, dynamic and flexible community MSK physiotherapy service which not only of [...]

Community Musculoskeletal (MSK) Physiotherapy service provider Any qualified provider (AQP) framework.

Directorate of care and independence.

A review of MSK services birthed a vision of a two tier MSK framework — an initial tier offering community MSK services, supplied by an AQP framework of community providers, and a further tier offering more complex MSK treatment delivered as part of the acute trust.

Therefore, since April 2015, NEL has commissioned an AQP framework of community MSK physiotherapist providers to manage its non-complex MSK service.

The service which falls within this tender is the community MSK physiotherapy service which will be procured via an AQP “framework” approach, to appoint multiple organisations capable of delivering the specified service to the locality and offer a choice for referring GP’s and their clients or self-referrers. The provider/s will need to offer and deliver a robust, dynamic and flexible community MSK physiotherapy service which not only offers the best clinical treatment in line with all relevant guidelines and standards, but also emphasises the importance of self-management, equipping people to manage their own condition where possible. The promotion of independence and wellbeing is paramount.

An initial contract of three years will be offered, commencing from 1.4.2019 with the possibility of extending the term beyond the initial contracted duration by an additional 2 years. This will be based on annual review and with mutual agreement from the provider and NELCCG.
