II.2.3. Place of performance

NUTS code: NO061 Sør-Trøndelag

Main site or place of performance: Trondheim

II.2.4. Description of the procurement

The Norwegian Labour Inspection Authority manages and develops internal professional applications that support the Norwegian Labour Inspection Authority's work processes. As the need for management and development in this area is greater than the Norwegian Labour Inspection Authority's own employees can perform, the Contracting Authority must have the assistance of hired in consultancy resources for this work.

The Contracting Authority wants to enter into 6 separate Framework Agreements (so-called parallel Framework Agreement), each with one to 3 service providers.

The competition is for the following 5 Framework Agreements (called lots):

Lot 1: Framework Agreement for the procurement of consultancy services in connection with project management:

Part 2: Framework Agreement for the procurement of consultancy services in connection with system architecture;

Part 3: Framework Agreement for the procurement of consultancy services in connection with management and development;

Part 4: Framework Agreement for the procurement of consultancy services in connection with data warehouse development/BI;

Part 5: Framework Agreement for the procurement of consultancy services in connection with interaction design;

Part 6: Framework Agreement for the procurement of consultancy services in connection with test.

Tenderers can submit tender offers for one, multiple or all parts of the competition. The Contracting Authority will carry out separate evaluations of the various parts, so that a service provider may be awarded no, one, more or all parts of the competition.

II.2.5. Award criteria

Quality criterion - Name: The offered human resources competence and experience. /

Weighting: 40

Price - Weighting: 60

II.2.11. Information about options

Options: yes

Description of options:

Option for 1 year + 1 year extension of the contract on verbatim terms.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

For each of the Framework Agreements, call-offs will take place when a new assignment is first offered to the service provider who had the best offer. If that service provider does not have the capacity to take on the call-off within the Contracting Authority's schedule and scope, the call-off will be given to the service provider who has the next best tender offer.
