II.2.4. Description of the procurement

'Inn på tunet' shall primarily provide an offer for younger persons with dementia.

The offer should also be open to physically fit older persons with dementia.

The 2020 Dementia Plan highlights the importance of having a meaningful and tailored offer for persons with dementia.

'Inn på tunet' shall fulfill a function that an ordinary day center cannot.

'Inn på tunet' is an offer that shall provide the possibility for people with dementia to fill their days with activities and master and experience these activities as meaningful. From 2020, it will be decreed by law for the municipalities to offer day offers for persons with dementia, and the Agency for Nursing Homes wants to have different types of offers for this user group.

The background for this is that many persons with dementia are physically fit, and have resources to use in tailored circumstances despite their dementia.
