Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

The estimated value of the [works] contract to which this notice relates falls below the relevant financial threshold under Directive 2004/18/EC (as amended). Neither the publication of this notice nor the employment of any particular terminology or any other indication shall be taken to mean that the contracting authority intends to hold itself bound by Directive 2004/18/EC (as amended) as implemented by the Public Contracts Regulations 2006 (as amended).

The project is subject to planning approval and the NIHE SHDP financing participating in this tender competition. The cost of responding to the pre-qualification questionnaire package (PQQP) and any subsequent invitation to tender and participation in the procurement process generally will be borne solely by each economic operator participating. A memorandum of information and pre-qualification questionnaire package (PQQP) is available in respect of the project referred to in Section I above. Economic operators should note that the Contracting Authority reserves the right to cancel this procurement process at any stage.

Any expenditure, work or effort undertaken prior to the contract award is at the sole risk of the economic operator participating in this procurement process. All discussion and correspondence will be deemed strictly "subject to contract" until a formal contract is entered into. The formal contract shall not be binding until it has been signed and dated by the duly authorized representatives of the parties. Any date given in Section IV above is a best estimate at the time of despatch. The Contracting Authority reserves the right to extend any such date within the scope of the applicable procurement regulations.

Further to Section IV.1.2 above, and for the avoidance of doubt the number of economic operators who will be invited to tender will be restricted to [6] economic operators.

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: The Contracting Authority will incorporate a standstill period at the point information on contract award is communicated to tenderers. The notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days provides time for unsuccessful tenderers to challenge The award decision before the contract is entered into.

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

9.1.2012
