Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement of wheel loaders for Heggvin waste plant (Qualification phase)

Reference number: 2022/174

II.1.2. Main CPV code

34144710 Wheeled loaders

II.1.3. Type of contract

Supplies

II.1.4. Short description

Sirkula IKS shall enter into an agreement for the procurement of two wheel loaders (one large wheel loader and one medium-sized wheel loader) with any options that are given in text and tables in Appendix 1A and Appendix 1B, respectively. The contracting authority wants to procure new wheel loaders. The wheel loaders shall be delivered with an option for a service agreement. The service agreement should be offered for at least 5 years from contract signing with an option for extension.

The total financial scope of the procurement is estimated to NOK 5 million for the procurement of wheel loaders. Option for service agreements will be additional.

Click here <https://permalink.mercell.com/193164740.aspx>

II.1.5. Estimated total value

Value excluding VAT: 5 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for maximum number of lots: 2

II.2. Description

II.2.1. Title

Large wheel loader

Lot No: 1

II.2.2. Additional CPV code(s)

34144710 Wheeled loaders, 50530000 Repair and maintenance services of machinery

II.2.3. Place of performance

NUTS code: NO020 Innlandet

II.2.4. Description of the procurement

Sirkula IKS shall enter into an agreement for the procurement of two wheel loaders (one large wheel loader and one medium-sized wheel loader) with any options that are given in text and tables in Appendix 1A and Appendix 1B, respectively.

The large wheel loader shall be in operation at Heggvin waste disposal site.

The wheel loader will be used to perform the heaviest tasks at the Heggvin waste plant.

The large wheel loader must have a total weight in the range of 24 to 29 tonnes, with a lifting capacity of minimum 17 tonnes.

The total estimated value for the procurement of the two wheel loaders is NOK 5 million excluding VAT. Service agreements are to be added.

The stated duration applies to the service agreement

II.2.5. Award criteria

Criteria below

Quality criterion - Name: Quality / Weighting: 45

Quality criterion - Name: Environment / Weighting: 10

Price - Weighting: 45

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 60

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contracting authority has an option for entering into a service agreement for the wheel loader.

The contracting authority has an option to procure a high-tip bucket.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

II.2. Description

II.2.1. Title

Medium size wheel loader

Lot No: 2

II.2.2. Additional CPV code(s)

34144710 Wheeled loaders, 50530000 Repair and maintenance services of machinery

II.2.3. Place of performance

NUTS code: NO020 Inlandet

II.2.4. Description of the procurement

Sirkula IKS shall enter into an agreement for the procurement of two wheel loaders (one large wheel loader and one medium-sized wheel loader) with any options that are given in text and tables in Appendix 1A and Appendix 1B, respectively.

The medium-sized wheel loader shall be used at the Heggvin waste plant and shall be used for lighter work than the large wheel loader. The wheel loader must have a total weight in the range of 15 - 17.5 tonnes, with a lifting capacity of minimum 8.5 tonnes.

The wheel loader must have a maximum length of 6.80 m from the fastening point on the bucket to the back weight of the machine to ensure that the machine can be operated in the baler hall.

The estimated total value is NOK 5 million excluding VAT for each of the wheel loaders. A service agreement will be added to the estimate.

The stated contract period applies to the service agreement.

II.2.5. Award criteria

Criteria below

Quality criterion - Name: Quality / Weighting: 45

Quality criterion - Name: Environment / Weighting: 10

Price - Weighting: 45

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 60

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contracting authority will have an option for a service agreement for the wheel loader.

The Contracting Authority has an option for the purchase of a bailing press.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Qualification requirement: Tenderers must be registered in a company register or a trade register in the country where the tenderer is established.

Documentation requirement: Norwegian tenderers: - Company Registration Certificate.

Foreign tenderers: - Verification that the tenderer is registered in a company register or trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Qualification requirement: Tenderers must have the required economic and financial capacity to fulfil the contract.

A credit rating of 'credit worthy' or equivalent will be sufficient to fulfil the requirement.

Documentation requirement: Tenderers can prove their economic and financial position with any document that the Contracting Authority will accept, e.g., a 'credit rating' not older than 6 months from a recognised credit rating company, the annual accounts for the last 3 years with the auditor's reports and notes, or relevant guarantees.

Minimum level(s) of standards possibly required:

The tenderer must have the necessary economic and financial capacity to fulfil the contract.

A credit rating of 'credit worthy' or equivalent will be sufficient to fulfil the requirement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

(1) Qualification requirement: The delivery requires tenderers who have a system for environmental management.

Documentation requirement: Description of the company's procedures regarding quality management, with emphasis on quality assurance, continual improvement, resource management and management's responsibility. If a tenderer has valid ISO 9001 certification, this certificate will be accepted as documentation of fulfilment of the qualification requirement.

(2) Qualification requirement: The tenderer must have a good environmental management system in its organisation.

Documentation requirement: Tenderers must describe the company's environmental system.

If a tenderer is environmentally certified in accordance with, for example, ISO 14001 or the Eco-Lighthouse scheme, it is sufficient to submit certification for such a scheme.

Minimum level(s) of standards possibly required:

(1) The assignment requires suppliers who have a well-established system for quality management.

(2) The tenderer must have an established environmental management system in its organisation.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

The tenderer shall make sure that employees are ensured equal wages regardless of nationality, in accordance with ILO-94 and the Regulation regarding wages and working conditions in public contracts.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Competitive procedure with negotiation

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.4. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated

IV.1.5. Information about negotiation

The contracting authority reserves the right to award the contract on the basis of the initial tenders without conducting negotiations

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 06/02/2023 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 06/04/2023

Section VI: Complementary information
