NUTS code: NO092 Agder

II.2.4. Description of the procurement

The contracting authority has competence for parts of the requested area and where we have the capacity, we will carry out these assignments ourselves. The Management Education Programme and Company Health Services are not included in this contract. Free assistance from insurance companies is also not included.

Assignments that have already been ordered or started, will be delivered and completed by the supplier in question independently of the tender.

The contracting authority is working to build up internal competence in order to contribute in the best possible way to the practical implementation of the processes. In order to strengthen the competence in the municipality, those who will work on such processes would like, in some cases, to run the processes in cooperation with the tenderer's consultants. This will ensure that we solve the assignments in the optimum way, at the same time that the municipality can build up internal competence through the practical implementation of processes together with experienced consultants.

The contract is obligatory for individual assignments with an estimated total cost of up to NOK 200,000 excluding VAT. The contracting authority has an option to use the contract for assignments that have an estimated total cost of between NOK 200,000 and NOK 500,000 excluding VAT. Separate procurement processes will be held for assignments that fall outside the framework agreement.
