II.2.4. Description of the procurement

The objective of this tender is to find a suitable supplier that will work with us collaboratively to supply materials that will be utilized for all of our electrical maintenance service requirements, these include, but are not limited to:

- electrical repairs and installation works following test and inspection reports (approx. 1000 reports per annum),
- electrical installation works to void properties,
- responsive repairs and replacement parts to electrical equipment within housing stock and commercial buildings,
- replacement parts and units associated with domestic smoke detection, and,
- testing and inspection equipment and other associated electrical plant and equipment items.

It is anticipated that the electrical materials will be purchased on a frequent or daily basis to support our servicing, maintenance, and responsive service teams. Some materials will need to be held and replenished as impressed van stock, with other items collected and either delivered to site locations or Yarlinton depots, within the Yeovil, and wider South Somerset areas.

All materials to be supplied are to conform with EU manufacturing legislative requirements and comply with UK Electrical Regulations BS7671.

The contract will be for an initial period of 3 years commencing 3 April 2018 terminating on 31 March 2021. There will be an option to extend the contract annually a total of 2 times (3+1+1) based upon satisfactory performance during the initial 3-year period which could lead to a maximum of 5 years terminating 31 March 2023.
