Internet address(es):

General address of the contracting authority: <http://www.brunel.ac.uk>
Address of the buyer profile: <https://in-tendhost.co.uk/bruneluniversity>

I.2. Type of the contracting authority

Other

I.3. Main activity

Education

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title

Melt Conditioned Twin Roll Casting (MC-TRC) Production Line.

II.1.2. Type of contract and place of performance or delivery

Supplies
Purchase
NUTS code UK United Kingdom

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

Brunel University is seeking to procure a Melt Conditioned Twin Roll Casting (MC-TRC) Production Line for The Advanced Metal Casting Centre (AMCC) which is being established at Brunel University as a unique national scale-up facility for light metal casting research, aiming to bridge the gap between fundamental research and industrial applications. Together with the EPSRC Centre for Innovative Manufacturing in Liquid Metal Engineering (LiME) and Brunel Centre for Advanced Solidification Technology (BCAST), the AMCC will provide high

performance light alloys, resource efficient casting technologies and component innovations to meet the long and mid-term needs of UK industry.

II.1.5. CPV code(s)

43720000 Casting machines

II.1.6. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.2. Total value of the contract/lot

II.2.1. Total value of the contract/lot

Value: 365 500 GBP
excluding VAT

Including VAT. VAT rate (%) 20

V.5. Information about subcontracting

The contract is likely to be subcontracted: no

Section VI: Complementary information

VI.1. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.2. Additional information

VI.3. Procedures for review

VI.3.1. Review body

VI.3.2. Review procedure

Precise information on deadline(s) for review procedures: Brunel University will incorporate a minimum 10 calendar day standstill period starting from the date when the award decision notification is dispatched to bidders. This period allows unsuccessful bidders to seek further debrief form Brunel University before the contract is entered into. Applicants have until midnight of the second working day of the standstill period for their additional debriefing requests to reach Brunel University. A response to such a request must be provided to the bidder by a minimum 3 working days before the expiry of the standstill period. If an appeal regarding the award of the contract has not been successfully resolved, Regulations 47 of the Public Contracts Regulations 2006 provide for aggrieved parties who have been harmed, or are at risk of harm as a consequence of a breach of the procurement rules to bring an action in the High Court. Any such action must be brought promptly and in any event within 3 months of the date when the grounds of complaint first arose. Where a contract has not been entered into, the court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into, the court may only award damages. The purpose of the standstill period referred to above is to allow parties to apply to the court to set aside the award decision before the contract is entered into.

VI.3.3. Service from which information about the review procedure may be obtained

VI.4. Date of dispatch of this notice

15.1.2015
