Additional information can be obtained from:

the abovementioned address

I.2. Type of the contracting authority

National or federal agency/office

I.3. Main activity

Public order and safety

I.4. Contract award on behalf of other contracting authorities/entities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

Multibiometric identification and information management system

II.1.2. Type of contract and place of performance or delivery

Services

II.1.3. Information about framework agreement

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The object of the procurement is Multibiometric identification and information management system (later ABIS) which shall support Finnish forensic laboratory multibiometric investigations, several different acquisition and registration flows and various different

integrations. Procurement includes ABIS-system software delivery and implementation project, certain hardware and special equipment delivery, system maintenance and support services, and development and expert services as described in the procurement documents. The procurement includes an option where Contracting Authority could procure relevant hardware (e.g. scanners, optical devices) with maintenance and support services as described in the procurement documents. More detailed scope of the procurement is presented in Annex 1.

II.1.6. CPV code(s)

72000000 IT services: consulting, software development, Internet and support, 30200000 Computer equipment and supplies, 48810000 Information systems

II.1.7. Information about subcontracting

The tenderer has to indicate in the tender any share of the contract it may intend to subcontract to third parties and any proposed subcontractor, as well as the subject-matter of the subcontracts for which they are proposed

The tenderer has to indicate any change occurring at the level of subcontractors during the execution of the contract

The successful tenderer is obliged to specify which part or parts of the contract it intends to subcontract beyond the required percentage and to indicate the subcontractors already identified

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The Contracting Authority is planning that the service contract is made for a fixed term after which the contract may be continued for a time being until either party terminates the contract. The detailed provisions of the duration and termination of the contract are presented later in the procurement documents and subject of negotiation. The total amount includes the scope of the procurement as described in the annex 1 as well as the estimated costs of 4 years of support and maintenance.

Estimated value excluding VAT:

Range: between 3 000 000,00 and 5 500 000,00 EUR

II.2.2. Information about options

Options: yes

Description of options: The procurement includes an option where Contracting Authority could procure relevant hardware (e.g. scanners, optical devices) with maintenance and support services as described in the procurement documents.

II.2.3. Information about renewals

This contract is subject to renewal: yes

II.3. Duration of the contract or time limit for completion

Duration in months: 48 (from the award of the contract)

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information

III.1.5. Information about security clearance

III.2. Conditions for participation

III.2.1. Personal situation

III.2.2. Economic and financial ability

III.2.3. Technical and/or professional capacity

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

III.3.2. Information about staff responsible for the performance of the contract

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

competitive dialogue

IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged number of candidates 3

Objective criteria for choosing the limited number of candidates: The procurement will be implemented as a security procurement as per the Act on Public Contracts in Defense and Security (1531/2011), hereinafter the PUTU Act. The tender competition shall be conducted according to the Competitive Negotiated Procedure (Competitive dialogue). The Contracting Authority has decided to undertake competitive negotiated procedure as the procurement procedure, since it considers that the needs of the Contracting Authority cannot be met without adaptation of readily available solutions: the specific circumstances related to the nature and the complexity of the subject of the procurement require adoption of the procurement procedure, and the technical specifications cannot be established with sufficient precision with reference to a standard, European Technical Assessment, common technical specification, or technical reference.

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated no

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

POL-2017-39591

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

IV.3.4. Time limit for receipt of tenders or requests to participate

12.2.2018 - 12:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

English.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body
