the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address**I.2. Type of the contracting authority**

Regional or local authority

I.3. Main activity

General public services

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting authority**

Framework agreement for construction management and SHE Coordinator for execution.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Nøtterøy, Norway.

NUTS code NO033 Vestfold

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement
: 6

Duration of the framework agreement

Duration in years: 4

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT: 6 000 000 NOK

II.1.5. Short description of the contract or purchase(s)

The Contracting Authority wants to invite tenderers to a contest for the delivery of offers on framework agreement for construction manager and SHE Coordinator, primarily in construction, roads, water and sewage where Nøtterøy kommune is the General Contractor. It is possible to submit tender offers on the following 2 disciplines:

- Roads, water and sewerage
- Building.

The volume is estimated to be approx. 1 500 000 NOK per annum combined for all of the framework agreement tenderers. The given scopes are estimates based on figures from recent years. The given estimate does not constitute any minimum purchase obligation. A typical project will be approx. 30 hours per month, where 1 is at the construction site 2 to 3 times per week, so travelling distance to the municipality will be important.

The contract period is 2 years, with an option on 1 year + 1 year. The Contracting Authority retains the right, without the tenderer's agreement, to transfer the agreement to a new municipality in the event of a municipal merger. If it is not practical for the Contracting Authority to transfer the agreement, the Contracting Authority may terminate the agreement with 3 months written warning.

II.1.6. CPV code(s)

71500000 Construction-related services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no
