II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The University of Oslo (UiO) is the country's largest and most traditional institution for higher education. UiO shall carry out comprehensive upgrades to parts of Niels Henrik Abels hus at Blindern. The works are organised as joint contracts with the construction contractor being the administrating joint contractor. The technical joint contracts are for plumbing, ventilation and electrotechnical works. There will also be a separate fittings contract.

This contract is for electrotechnical works.

A site survey will be held:

Tuesday 29.1.2013 (09:00)

Meet in the vestibule in Niels Henrik Abels hus

Molke Moes vei 35, 0851 Oslo, Norway.

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: (1) Company registration certificate.

(2) Evidence of enrolment on the professional or trade register, as required by national law, in the country where the company is established

(3) Value added tax certificate (National requirement)

(4) Company tax certificate (National requirement)

(5) Self-declaration in compliance with Appendix 2 (HSE) of the Norwegian procurement regulations (National requirement)

(6) Other documentation required (please state below)

Foreign contractors must enclose certificates from their countries that prove that taxes have been paid. If the authorities in the relevant country do not issue such certificates, the contractor shall enclose a statement stating that all taxes have been paid. The statement shall be certified and signed by the contractor's finance director/finance manager.

III.2.2. Economic and financial ability

List and brief description of conditions: (1) Other documentation required (please state below)

1) Credit rating report or possibly the accounts for the last two accounting years.

Minimum level(s) of standards possibly required: 1) Contractors shall have sufficient financial strength to fulfil the contract.

III.2.3. Technical and professional ability

List and brief description of conditions:

(1) A list of the principal deliveries effected, or main services provided, by the company, in the past five years, with the values, dates and recipients (for works contracts)

(2) Other documentation required (please state below)

1) A short and general description of the company shall be given, including:

- An account of the company's business idea and core competence related to the extent of work in the contract.

- An overview of the company's history, organisation and ownership, as well as a description of the current company.

- A short description of the general quality assurance system that the contractor will use for the contract.

Cooperation partners/sub suppliers:

The following shall be enclosed if cooperation constellations and sub suppliers are used:

- Name, address and organisation number of sub suppliers. The awarding authority reserves the right to approve/reject sub suppliers.

- Description of which parts of the assignment for service contracts shall be carried out by sub suppliers.

- A binding statement, cooperation contract or equivalent formal documentation showing that the contractor can actually use the necessary resources at the stated sub suppliers.

- Documentation of the tenderer's apprenticeship scheme

Minimum level(s) of standards possibly required:

- 1) Contractors shall have sufficient ability to fulfil the contract
- 2) Contractors shall have good experience from relevant assignments and certification in a minimum of development class 2 for electrotechnical works.
- 3) Tenderers shall have an apprenticeship scheme.
