Section II: Object of the contract

II.1. Description

II.1.1. Title

Tender round 13/00203 Procurement of operating service for ID- porten/MinID and Digital contact register.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 7: Computer and related services

Main site or place of performance: Entire Norway.

NUTS code NO Norge

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

The procurement encompasses operation of ID-porten/MinID with production environment and associated environment for test purposes, with the option of operation of OEP, SMP-ELMA and message mediator, as well as an SMS service.

ID-porten is a 'trust anchor' and a common component for service owners in the public sector, which links together ID-porten, service owners and e-ID suppliers. MinID is an e-ID at level 3, which offers authentication based on single-use codes via SMS or PIN codes via letter. The digital contact register is an authoritative source for electronic contact information for individuals with a national ID number in Norway. The contact register was established in 2012

and is administered as a common component within the public sector. The digital contact register includes a reservation register, which will also be covered by the operating agreement.

See more at: <http://www.difi.no/digital-forvaltning/id-porten-minid>
