Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The School of Pharmacy needs a new LC-MS instrument to replace the analyses capacity for a project that analyses midazolam and metabolite in samples from patients. The instrument must fit in the laboratory's current software platform.

A method for the validation of the analyses of midazolam and metabolites is developed and already in use for the current LC-MS instrument.

A transition to a new instrument is required, without needing to develop and validate a new method. This is vitally important as 25 % of the samples from patients in the project are analyzed.
