

United Kingdom-Coedkernew: Instrumentation and control equipment

OJ S 13/2015 20/01/2015

Contract notice – utilities

Supplies

Directive 2004/17/EC

Section I: Contracting entity

I.1. Name and addresses

Official name: Wales and West Utilities Limited

Postal address: Wales and West House, Celtic Springs

Town: Coedkernew

Postal code: NP10 8FZ

Country: United Kingdom

For the attention of: Nicci Birchall

E-mail: wwuprocurement@wwutilities.co.uk**Additional information can be obtained from:**

the abovementioned address

Specifications and additional documents (including documents for a dynamic purchasing system) can be obtained from: the abovementioned address**Tenders or requests to participate must be submitted:** the abovementioned address**I.2. Main activity**

Production, transport and distribution of gas and heat

I.3. Contract award on behalf of other contracting entities

The contracting entity is purchasing on behalf of other contracting entities: no

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting entity**

Gas Pressure Monitoring and Control and Cathodic Protection Monitoring.

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: UK.

NUTS code UK United Kingdom

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement**II.1.5. Short description of the contract or purchase(s)**

Wales and West Utilities Ltd (WWU), is a regulated gas distribution business with around 35 000 km of gas distribution pipelines located within Wales and the South West of England.

We are seeking expressions of interest from suppliers who can provide one or more of the following lots.

Lot 1: Gas Pressure monitoring and control system, spares, associated software and support.

Lot 2: Gas Pressure monitoring equipment, spares, associated software and support.

Lot 3: Cathodic Protection Monitoring Equipment, spares, associated software and support suitable for gas pipelines.

All interested applicants are required to advise which lot(s) they are interested in bidding for. These lots are to compliment and integrate with our existing systems/hardware that is already in use within our network.

II.1.6. CPV code(s)

31682210 Instrumentation and control equipment, 38424000 Measuring and control equipment , 38423000 Pressure-measuring equipment, 38420000 Instruments for measuring flow, level and pressure of liquids and gases

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: yes

II.2. Scope of the procurement

II.2.1. Total quantity or scope

Wales and West Utilities Ltd (WWU) is seeking expressions of interest from potential providers of:

Lot 1: Gas Pressure monitoring and control system and Associated software. Which utilises pressure data at the extremity of a low pressure network to control the governor pressures at an optimal level. This is to ensure security of supply whilst keeping the average system pressure to a minimum. The solutions must be intrinsically safe.

Lot 2: Gas Pressure monitoring equipment and Associated Software to capture and relay gas pressures in the following types of environment: District governor kiosks, Plastic roadside bollards, Low Level Metal kiosks and Customers domestic meter-boxes. Solutions must be intrinsically safe.

Lot 3: Supply a cathodic protection remote monitoring system and associated software capable of monitoring pipeline DC potentials and AC induced voltages including transformer rectifier AC inputs and DC outputs and have the ability to interrupt the output of multi transformer rectifier systems via GPS synchronisation.

All interested applicants are required to advise which lot(s) they are interested in bidding for. These lots are to compliment existing systems/hardware that is already in use within our network.

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Duration in months: 60 (from the award of the contract)

Information about lots

Lot No: 1

Lot title: Gas Pressure monitoring and control system and Associated software

1) Short description

A Gas Pressure monitoring and control system, spares, associated software and support. Which utilises pressure data at the extremity of a low pressure network to control the governor pressures at an optimal level. This is to ensure security of supply whilst keeping the average system pressure to a minimum. The solutions must be intrinsically safe.

2) CPV code(s)

31682210 Instrumentation and control equipment, 38423000 Pressure-measuring equipment

Lot No: 2

Lot title: Gas Pressure monitoring equipment and Associated Software

1) Short description

Gas Pressure monitoring equipments spares, associated software and support to capture and relay gas pressures in the following types of environment: District governor kiosks, Plastic roadside bollards, Low Level Metal kiosks and Customers domestic meter-boxes. Solutions must be intrinsically safe.

2) CPV code(s)

31682210 Instrumentation and control equipment, 38423000 Pressure-measuring equipment

Lot No: 3

Lot title: Cathodic Protection Monitoring Equipment and associated Software suitable for gas pipelines.

1) Short description

Supply a cathodic protection remote monitoring system spares, associated software and support capable of monitoring pipeline DC potentials and AC induced voltages including transformer rectifier AC inputs and DC outputs and have the ability to interrupt the output of multi transformer rectifier systems via GPS synchronisation.

2) CPV code(s)

31682210 Instrumentation and control equipment

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

To be identified in the Invitation to Tender.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

To be identified in the Invitation to Tender.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

In the event that applicants form a joint venture, partnership or other form of consortia, joint and several liability of each participant will be required by the Contracting Entity.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Applicants will be ineligible for participation in the tender process where the applicant: a) is bankrupt or is being wound up, whose affairs are being administered by the court, who has entered into an arrangement with creditors or who is in any analogous situation arising from a similar procedure under national laws and regulations; b) is the subject of proceedings for a declaration of bankruptcy, for an order for compulsory winding-up or administration by the court or for an arrangement with creditors or is the subject of any other similar proceedings under national laws or regulations; c) has a serving director or partner who has been convicted of an offence concerning his professional conduct by a judgement which has the force of res judicata; d) has a serving director or partner who has been guilty of grave professional misconduct proven by a judgement which the contracting entity can justify; e) has not fulfilled obligations relating to the payment of social security contributions in accordance with the legal provisions of the country in which he is established or those of the country of the contracting authority; f) is guilty of serious misrepresentation in supplying the information required under the provisions of the Directive on the criteria for qualitative criteria. Applicants must supply a statement with their request to participate confirming that none of the foregoing apply.

III.2.2. Economic and financial ability

List and brief description of conditions: To be identified in the Pre-qualification.

III.2.3. Technical and professional ability

List and brief description of conditions: To be identified in the Pre-qualification/Invitation to Tender.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

IV.2.2. Information about electronic auction

An electronic auction will be used: yes

Additional information about electronic auction: WWU reserve the right to undertake electronic auction if deemed appropriate.

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting entity

WWU0734

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents

(except for a DPS)

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

16.2.2015 - 00:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Persons authorised to be present at the opening of tenders: no

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

Applicants responding to this notice, who satisfy the conditions as indicated in Section III, will be invited to the next phase of the process which will include a detailed assessment and negotiation stage. Applicants must provide details of a single point of contact including an electronic mail address that will be used for further communications. Any communications from applicants, including the request to participate, must be by electronic mail to the address shown in I.1.

Applicants should note that Wales and West Utilities employ an eSourcing system and all participants will be required to use this system whilst tendering.

Further information on the eSourcing system will be provided at the pre-qualification stage.

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5.

Date of dispatch of this notice
