Official name: portal.commerce-hub.com

Country: Netherlands

Specifications and additional documents (including documents for a dynamic purchasing system) can be obtained from: Official name: portal.commerce-hub.com

Country: Netherlands

Tenders or requests to participate must be submitted: Official name: portal.commerce-hub.com

Country: Netherlands

I.2. Main activity

Electricity

I.3. Contract award on behalf of other contracting entities

The contracting entity is purchasing on behalf of other contracting entities: no

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting entity**

Future Hemweg, Co-Firing Biomass Logistics 2016.

II.1.2. Type of contract and place of performance or delivery

Works

Design and execution

Realisation, by whatever means of work, corresponding to the requirements specified by the contracting entities

Main site or place of performance: Netherlands, Groot-Amsterdam.

NUTS code NL Nederland,NL326 Groot-Amsterdam

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The project Future Hemweg has the purpose to convert HW08 to a coal and biomass firing plant to increase renewable production in Employer's portfolio and reduce CO2 emissions. The required works, services and supply include but is not limited to, all installations (excluding underground Civil, silo concrete works and integration into existing automation lots) that are required for unloading barges, cleaning of wood pellets, storing of wood pellets. The scope comprises the engineering and design, procurement, construction, commissioning, testing and optional maintenance of the Works.

II.1.6. CPV code(s)

45250000 Construction works for plants, mining and manufacturing and for buildings relating to the oil and gas industry, 42417200 Conveyors, 45251142 Wood-fired power station construction work, 44613110 Silos, 42414000 Cranes, mobile lifting frames and works trucks fitted with a crane

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Information about lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The entire plant conversion will be realised by 2 main project parts, besides separate underground Civil, silo concrete works and integration into existing automation lots:

— Part 1, logistics and storage: Engineering Procurement Construction, Fidic Silver contract for realisation of the Logistical system;

— Part 2, pneumatic feeding and mill conversion: Plant and Design Build including procurement, Fidic Yellow contract for realisation of the Installation Conversion to Co-fire Biomass.

This Tender sees to Part 1, logistics. The second part, pneumatic feeding and mill conversion, is in its Tender-phase with pre-selected tenderers.

The Works foreseen by this tender are including, but not limited to:

— Crane and mooring-system (delivery and Install);

— Hopper;

— Cleaning equipment;

- Conveying equipment;
- Dust filters;
- Silo structure and roof and supporting structures;
- Instrumentation and Control system;
- Fire detection and fire-fighting system;
- Electrical system;
- All other components and systems required for safe and reliable operation and maintenance;
- Coordination of the Civil contractor;
- Coordination with and to the Lot 2 (coal mill conversion) contractor.

Project-execution after contract award is expected to start in January 2017 with the engineering phase, in which period the Contractor will arrange his required work permits. Indicative planning foresees Mechanical complete delivery to be finalised by 1.5.2018. These dates are based on current estimates and projection.

The anticipated contract duration is based on:

- 2-year realisation (engineering start-up — commissioning, testing and take over);
- 2 years defects notification period;
- 5 years maximum maintenance contract (optional).

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Start 2.1.2017 Completion 31.12.2018

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Requirement: Parent Company Guarantee.

Description: if the Candidate relies on a parent company or third party to meet the financial minimum requirement, this parent company or third party will be assessed.

Notes to Document: In case a PCG shall be issued, three most recent audited, non-qualified, consolidated annual reports of the PCG provider including management reports and explanatory notes shall have to be submitted.

Requirement: Financial and Bank warranties

Description: as per Tender documents.

Notes to Document: as per Tender documents.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Requirement: Consortia / Joint Ventures.

Description: if a Consortium or JV of Candidates wishes to apply in the Request for Qualification or ITT the following documents need to be requested from all Candidates /

Participants:

- Proof of the membership of the JV/combination shall be maintained throughout the validity period of the Tender and/or contract;
- Declaration of willingness that the JV/combinations partners shall be jointly & severally liable throughout the lifetime of the Contract.
- Consent of each of the guaranteeing parties (in case any partner of the JV/combination wants to be assessed based on the financial strength of a guaranteeing party) of each JV /combination partner that the respective subsidiary has entered into the JV for the purpose of the contract.

Notes to Document: as per Tender documents.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Requirement: exclusion criteria as given in article 7 of the ARN and the Self-declaration as part of the Tender documents apply.

Description: notes to Document: As per Tender guideline and Tender documentation.

The Candidate shall have a minimum average annual revenue of 27 000 000 EUR in the last 3 years.

Notes to Document: as per Tender documents.

III.2.3. Technical and professional ability

List and brief description of conditions: Requirement: Minimum requirements QHSE.

Description: The Candidate and / or Candidates representative entity responsible for the execution of the Works and his Sub-contractors shall as minimum requirement be certified VCA 2008 (or SCC2011 or OHSAS18001 or equivalent).

Notes to Document: As per Tender documents.

Requirement: Minimum requirements, Experience.

Description: for the successful implementation of the intended contract, the Candidate is required to have a thorough experience with equivalent to subject scope and 'EPC' projects.

1. Within the last 10 years the Candidate or combination of Candidates shall have engineered, executed, built and successfully commissioned a project(s) equal to the Works adhere Tendered in which wood pellets are transported by means of conveyor belts with a capacity of at least 50 t/h.

2. Within the last 5 years, the Candidate or combination of Candidates shall have had an adequate and successful experience with a project within the European Union, whereby the subscribing Candidate was the main Contractor in Engineering Procurement Construction contract structure.

The Candidate's reference shall have had a minimum contract value of 2 500 000 EUR. A reference within power installations and executed within last 3 years will have Employer's

preference.

Notes to Document: As per Tender documents.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

III.3.2. Information about staff responsible for the performance of the contract

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Restricted

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting entity

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents

(except for a DPS)

Time limit for receipt of requests for documents or for accessing documents: 29.2.2016 - 12:00

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

29.2.2016 - 13:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

English.

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

https://portal.commerce-hub.com/index.cfm?action=sourcing:_requestform.subscribe&document=EA804871-DAA5-1F31-89AE6874D28849DC

[the criteria stated in the specifications, in the invitation to tender or to negotiate or in the descriptive document].

VI.4. Procedures for review

VI.4.1. Review body

Official name: Zie Selectieleidraad

Country: Netherlands

Body responsible for mediation procedures

Official name: Zie Selectieleidraad

Country: Netherlands

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: According ARN 2013 attached to tender documents.

VI.4.3. Service from which information about the review procedure may be obtained

Official name: Zie Selectieleidraad

Country: Netherlands

VI.5. Date of dispatch of this notice

20.1.2016
