Description of options:

The contracting authority wants an option for the delivery of one electric sanitation vehicle including a service agreement. This option must be valid, and can be activated within 5 months after signing the contract for the first vehicle.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

- 1) Tax and VAT certificate.
- 2) Credit rating: minimum score A in accordance with Bisnode AS with the service CreditPro.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tax and VAT certificate:

Documentation requirements for Norwegian tenderers: tenderers must give consent in their tender for TendSign to obtain and the contracting authority to receive information about the above-named via TendSign. If a tenderer does not give consent, the tenderer must attach a tax and VAT certificate. The tax certificate must not be older than 6 months from the tender deadline. Any arrears or other irregularities must be justified (Tenderers can obtain the electronic tax and VAT certificate themselves and immediately receive it by email.).

Foreign tenderers: tenderers who are not established in Norway must present equivalent documentation issued by the authorities in the country where the tenderer is established. The certificate shall preferably be translated into Norwegian, but it will also be accepted in Swedish, Danish and English.

Minimum level(s) of standards possibly required:

Tax and VAT certificate:

Requirement: tenderers must have their tax, payroll tax and VAT payments in order, in accordance with the legislation.

Credit rating: the contracting authority will carry out an assessment of the tenderer's finances, through the company and accounting information system Bisnode AS (www.soliditet.no/creditcontrol) with the service CreditPro.

The contracting authority will not accept credit ratings from business and account information systems other than Bisnode AS with the service CreditPro in order to ensure an equal assessment of all tenderers.

Tenderers can attach other necessary information in the tender offer if the tenderer believes that Bisnode/CreditPro does not provide a correct picture of the economic situation.

Newly established companies: newly established companies who have not worked up a basis for a credit assessment must enclose a declaration from a bank or similar financial institution on the company's financial and economic standing. This also applies to foreign tenderers.
