Section VI: Complementary information

VI.1. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.2. Additional information

It is intended that end users of this framework agreement apply the terms (to be confirmed on award). Each lot will be ranked to indicate the most economically advantageous tender as evaluated against the award criteria. In each lot, therefore, the highest scoring bid will be deemed to be most economically advantageous tender and therefore be the first supplier to be contacted for this lot (please see tender documentation for details). In acknowledgement of the fact that the circumstances of a call off may differ from that of the award of this framework in certain very specific cases, the end user may vary the weightings for the award criteria (please see tender documentation for details) Electronic ordering, invoicing and payment may be used as part of this framework.

VI.3. Procedures for review

VI.3.1. Review body

VI.3.2. Review procedure

Precise information on deadline(s) for review procedures: The contract will be governed by the Public Contracts Regulations 2015 and any future amendments, which provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

VI.3.3. Service from which information about the review procedure may be obtained

VI.4. Date of dispatch of this notice

20.1.2016
