Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: <https://permalink.mercell.com/169095178.aspx>**I.4. Type of the contracting authority**

Regional or local authority

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Consultancy services, road, water and sewage and geotechnics

Reference number: 2022/350

II.1.2. Main CPV code

71322500 Engineering-design services for traffic installations

II.1.3. Type of contract

Services

II.1.4. Short description

The invitation to tender is for a framework agreement for consultancy services for roads, water and sewage and geotechnics. Work assignments that can come under the framework agreement are:

- Preparation of draft, preliminary and detailed projects and preparation of tender documentation for roads, water and sewage installations (possibly also main plans for water and sewage, clearance plans and modelling).
- Geotechnical assessments connected to engineering design services for HVAC and sanitary installations.

II.1.5. Estimated total value

Value excluding VAT: 32 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

71311210 Highways consultancy services, 71311220 Highways engineering services, 71321300 Plumbing consultancy services, 71322200 Pipeline-design services, 71800000 Consulting services for water-supply and waste consultancy, 71332000 Geotechnical engineering services

II.2.3. Place of performance

NUTS code: NO091 Vestfold og Telemark

II.2.4. Description of the procurement

The contract period is 2 years. The contracting authority has the option to extend the contract subject to the same conditions for one + one years, so that the total possible length of the agreement is four years. This is the contracting authority's unilateral right. The contract can be automatically extended for 1+1 year, unless the contracting authority gives notice on the contract before the contract period expires.

An agreement shall be entered into with up to 5-6 tenderers for each of the below listed lots of the framework agreement.

These lots are:

- Water and sewage engineering design
- Road engineering (we are considering entering into an agreement with 6 tenderers if the assessment of received tenders concludes with a division of the fifth place)

We are planning to enter into a framework agreement with 3-4 tenderers for the geotechnical assignments. (we are considering entering into an agreement with 4 tenderers if the assessment of received tenders concludes with a division of the third place)

Award of assignments under the framework agreements is made in accordance with the contract (Annex 3)

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 32 000 000,00 NOK

II.2.7.

Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contracting authority has the option to extend the contract subject to the same conditions for one + one years, so that the total possible length of the agreement is four years. This is the contracting authority's unilateral right. The contract can be automatically extended for 1+1 year, unless the contracting authority gives notice on the contract before the contract period expires.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information
