This tender document is 1 of a number of such documents being issued simultaneously by Bright Green Hydrogen Ltd (BGH), for the Levenmouth Community Energy Project. These tenders support BGH's current application to the Scottish Government for significant funding to expand the operations of The Hydrogen Office, involving hydrogen transport, hydrogen heating, and an expanded smart grid.

The tenders are designed to select the key technical partners who will assist BGH and Fife Council to deliver this ambitious project.

This tender is specifically aimed at the delivery of a hydrogen heating system applicable to a significant heat demand local to the Hydrogen Office, to be agreed in technical discussion with BGH.
